RELEASE: October 24, 2019

Route 1 northbound ramp to Garden State Parkway northbound closed tonight and tomorrow night Traffic will be detoured overnight in Woodbridge

(Trenton) -

New Jersey Department of Transportation (NJDOT) officials today announced the closure, for two nights, of the Route 1 northbound ramp to the Garden State Parkway (GSP) northbound, as work on a GSP bridge deck replacement project advances in Woodbridge.

From 9 p.m. until 6 a.m. the next morning, beginning tonight, Thursday, October 24 and tomorrow, Friday, October 25, the New Jersey Turnpike Authority's contractor, Northeast Remsco Construction, Inc., will close the Route 1 northbound ramp to the GSP northbound to allow for a traffic shift on the Parkway. The closure will allow for the removal of the road barrier and the application of temporary striping as the project progresses. The following detour will be in place.

Route 1 northbound to Garden State Parkway northbound Detour:

- Motorists on Route 1 northbound will be directed to continue straight and go through the traffic signal at the Woodbridge Center Drive intersection
- Stay right and immediately take the Gill Lane/U-turn jug handle
- From the jug handle, get into the left lane at the fork to make a left onto Route 1 southbound
- Stay right and take the exit for Garden State Parkway northbound

The bridge work is part of an ongoing New Jersey Turnpike Authority (NJTA) \$42.7 million deck replacement contract of six non-major Parkway bridges between Old Bridge and Woodbridge, which began in 2015. Additional lane closures during off-peak hours may be necessary until project completion. NJTA has designed the project to advance with temporary lane closures, reopening after each shift. All lanes will be maintained during the morning and evening commutes. For more information on the project, contact the NJTA. The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information and for NJDOT news follow us on Twitter [@NJDOT_info](https://twitter.com/NJDOT_info) or on the [NJDOT Facebook page](#).

Please note, the NJDOT Communications Office has a new phone number – 609-963-1975.
