Route 4 eastbound all lanes closed and detoured for emergency watermain repairs in Ft. Lee Expect major delays approaching George Washington Bridge

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced Route 4 eastbound is closed and detoured at Grand Avenue for emergency repairs to a broken watermain approaching the New Jersey Turnpike/I-95/George Washington Bridge in Ft. Lee.

The watermain broke around 3 a.m. this morning and Route 4 eastbound was closed and detoured at Grand Avenue. The ramps onto Route 4 eastbound from Grand Avenue, Jones Road and Kenwood Avenue are also closed.

Suez Water and NJDOT crews are on scene and have been working to make the necessary repairs. Crews will remain on site until the repair is completed and the roadway is reopened. The following Route 4 eastbound detours will remain in place until further notice:

Route 4 eastbound detour:

- Motorists wishing to travel eastbound on Route 4 toward the George Washington Bridge will be directed to take the Grand Avenue/Rt 93 south exit
- At the end of the ramp, turn right onto Grand Avenue/Rt. 93 south
- Take Grand Avenue/Rt. 93 south
- Turn right on at the traffic signal onto Degraw Avenue
- Take the ramp to I-95 south
- Stay left for I-95 south/Route 46/NJ Turnpike The Ridgefields
- Take Exit 68 – Route 46/The Ridgefields
- Stay right for Route 46/The Ridgefields
- Use the left lane to get on Route 46 east
- Follow Route 46 east to I-95 north/George Washington Bridge

Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT_info](https://twitter.com/NJDOT_info) and on the [NJDOT Facebook page](https://www.facebook.com/NJDOT).
