I-80 eastbound daytime lane closure needed for priority drainage repairs in Knowlton **Expect congestion during the morning commute**

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced the daytime closure of the right lane on I-80 eastbound before the S-curve for priority drainage repairs in Knowlton.

From 8:30 a.m. until 4 p.m. Thursday, March 26 and Friday, March 27, the right lane on I-80 eastbound will be closed just before the S-curve to make priority repairs to a drainage pipe underneath I-80 and inlets in the right shoulder near mile post 1.4. One lane will remain open during construction.

The repairs are necessary because of a separated drainpipe under I-80. Preliminary work began on Tuesday, March 24. If work is completed early, the road will reopen sooner. The precise timing of the work is subject to change due to weather or other factors.

Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT_info](https://twitter.com/NJDOT_info) or on the [NJDOT Facebook page](https://www.facebook.com/NJDOT).
