**-more-**

The work is part of a \$10.3 million state-funded project to repave five miles of I-295 in Mount Laurel and Westampton. It also includes paving on segments of Route 130 in Cinnaminson and Pennsauken, and segments of Route 38 in Moorestown and Mount Laurel.

Variable message signs are being utilized throughout the project limits to provide advance notification to motorists of traffic pattern changes. The precise timing of the work is subject to change due to weather or other factors.

Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT\\_info](https://twitter.com/NJDOT_info) or on the [NJDOT Facebook page](#).
