The \$16.6 million project will mill and pave approximately 9.5 miles of Route 3 from Route 46 to Route 495 in Clifton, Passaic County through Rutherford and East Rutherford in Bergen County, to Secaucus and North Bergen in Hudson County. The project also will repave ramps and make other roadway repairs. The entire project is expected to be complete in fall 2020.

Variable message signs are being utilized throughout the project limits to provide advance notification to motorists of all traffic pattern changes associated with the interchange improvements project. Throughout the project, NJDOT will provide information on upcoming road or ramp closures.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT_info](https://twitter.com/NJDOT_info) or on the [NJDOT Facebook page](#).
