Route 133 westbound overnight lane closures and detours begin tonight in East Windsor, Mercer County **Overnight detours in place for milling and paving work**

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced overnight lane closures and detours beginning tonight on Route 133 westbound between CR 571 and Route 33 as a pavement preservation project advances in East Windsor, Mercer County.

Beginning at 8:30 p.m. tonight, Wednesday, July 15, until 6:30 a.m. the next day and continuing through Friday night, NJDOT's contractor, Earle Asphalt Company is scheduled to close and detour Route 133 westbound between CR 571 and Route 33 in East Windsor for milling and paving. On Friday night, July 17, Route 133 eastbound may also have shoulder, lane and ramp closures and detours.

The project will have no impact on traffic using the NJ Turnpike Exit 8/Route 33 Corridor. The following Route 133 westbound overnight detours are scheduled to begin tonight and continue each night through Friday.

Route 130 southbound to Route 133 westbound detour

- Motorists traveling on Route 130 southbound wishing to take Route 133 westbound will be directed to continue on Route 130 southbound
- Turn right onto Princeton Hightstown Road

Route 130 northbound to Route 133 westbound detour

- Motorists traveling on Route 130 northbound wishing to take Route 133 westbound will be directed to turn left onto Princeton Hightstown Road, which is before Route 133

The \$4.6 million state-funded project will repair, preserve and restore the pavement to improve safety and enhance ride quality for motorists on approximately seven miles of Route 133 in both directions between CR 571 to Route 33 in East Windsor, Mercer County.

The work will include milling and paving on Route 133 and resurfacing on all the ramps. The project is scheduled to be completed in the fall of 2020.

Variable Message Signs are being used to provide advance notification of all traffic pattern changes associated with the work. NJDOT will provide more information before any lane closures are scheduled. The precise timing of the work is subject to change due to weather or other factors.

Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information and for NJDOT news follow us on Twitter [@NJDOT_info](https://twitter.com/NJDOT_info) or on the [NJDOT Facebook page](#).
