Beacon Boulevard to be closed for railroad crossing repairs this week in Sea Girt **Necessary safety work will require detours**

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced the start of a railroad crossing rehabilitation project that will require a seven-day closure and detour of Beacon Boulevard Avenue in Sea Girt, Monmouth County.

Beginning at 7 a.m., tomorrow, Thursday, September 10, until 7 p.m. Thursday, September 17, Beacon Boulevard is scheduled to be closed and detoured in both directions at the railroad crossing between Bell Place and 6th Avenue. Construction will remove the existing railroad crossing and replace it with a new concrete crossing, as well as new asphalt approaches for a safer and smoother railroad crossing. Local access will be maintained for residents and businesses. The following detours will be in place:

Beacon Boulevard eastbound detour:

- Motorists wishing to travel eastbound on Beacon Boulevard will be directed take Route 71/7th Avenue
- Turn left onto CR 49/Sea Girt Avenue
- Turn left onto 5th Avenue back to Beacon Avenue

Beacon Boulevard westbound detour:

- Motorists traveling westbound on Beacon Boulevard will be directed to turn left onto 5th Avenue
- Turn right onto CR/49 Sea Girt Avenue
- Turn right onto Route 71/7th Avenue
- Turn right onto Beacon Boulevard

Traffic detours will be coordinated with the local police. The road will be reopened if work is completed earlier than planned.

This federally-funded project is included within NJDOT's railroad grade-crossing safety program, which repairs, upgrades, or removes approximately 30 crossings each year, statewide.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT_info](https://twitter.com/NJDOT_info) or on the [NJDOT Facebook page](#).
