## **Route 138 westbound ramp closures begin next week for drainage improvement project in Wall Ramps to and from Allenwood Road will be closed and detoured**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced ramp closures on Route 138 westbound as a drainage improvement developer project begins in Wall, Monmouth County.

Beginning at 12 p.m., Monday, January 4, and continuing for approximately one month, the developer's contractor, J. Lazewski Excavating Company, is scheduled to close the Route 138 westbound ramp to Allenwood Road southbound, and the ramp from Allenwood Road southbound to Route 138 westbound. This closure will allow the contractor to clear, excavate, and install drainage improvements. The following signed detours will be in place:

### **Route 138 westbound ramp to Allenwood Road southbound detour:**

- Motorists traveling on Route 138 westbound wishing to take the ramp to Allenwood Road southbound will be directed to take the ramp to Brielle/Pt Pleasant/Route 34 south, which comes before the ramp to Allenwood Road
- Turn right onto Allenwood Road

### **Allenwood Road southbound ramp to Route 138 westbound detour:**

- Motorists traveling on Allenwood Road southbound wishing to take the ramp onto Route 138 westbound will be directed to continue on Allenwood Road southbound
- Turn right directly onto Route 138 westbound

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT\\_info](https://twitter.com/NJDOT_info) and on the [NJDOT Facebook page](https://www.facebook.com/NJDOT).
