Route 1&9 Truck southbound lane closures this weekend to repair the Passaic River Bridge between Kearny & Newark At least one lane of southbound traffic will be maintained

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced a right lane closure on Route 1&9 Truck southbound between Newark and Kearny this weekend as repairs to the bridge across the Passaic River continue.

Beginning at 8 p.m. tonight, Friday, January 22 until 6 a.m. Monday, January 25, NJDOT's contractor, I.E.W. Construction Group, is scheduled to close the right lane on Route 1&9 Truck southbound between Jacobus Avenue in Kearny and Doremus Avenue in Newark. This closure will allow the contractor to replace floor beams on the Bridge over the Passaic River. At least one lane of southbound traffic will be maintained throughout the weekend.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
