Landing Lane Bridges over Raritan River/D&R Canal closed to two-way traffic for emergency repairs in New Brunswick Northbound traffic will be maintained from New Brunswick to Piscataway

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced that the Landing Lane Bridges over the Raritan River and Delaware & Raritan Canal will be closed to two-way traffic starting this afternoon for emergency repairs in New Brunswick, Middlesex County.

Beginning at 3:30 pm today, the Landing Lane Bridges over the Raritan River and D&R Canal will be closed to two-way traffic for emergency repairs to the Bridge over the D&R Canal. This closure will allow NJDOT's Contractor, I.E.W. Construction Group, to repair damage to the bridge deck and header. The bridges will remain open to northbound traffic traveling from New Brunswick towards Piscataway. Landing Lane will be closed to southbound traffic at River Road. The work is expected to be completed early Saturday morning. The following signed detour is in place:

Landing Lane Bridges southbound detour:

- Motorists traveling on River Road wishing to turn onto Landing Lane towards the bridges will be directed to continue on River Road
- Take the ramp towards Route 18 southbound
- Merge onto Route 18 southbound and cross the river
- Take the first exit towards Route 27 south/George Street/New Brunswick
- Turn right at the end of the ramp onto Huntington Street
- Turn right onto College Avenue, which becomes George Street
- Turn left onto Landing Lane

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
