## **Tonnele Avenue/Route 1&9 daytime lane closures for two weeks as Pulaski Skyway Contract 8A nears completion in Jersey City Closure necessary for guiderail and traffic signal work**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced single lane closures on Tonnele Avenue/Route 1&9 Truck in Jersey City for the next two weeks as Pulaski Skyway Contract 8A nears completion.

Beginning at 9 a.m. Monday, May 10 until 3 p.m., and continuing daily Monday through Friday for approximately two weeks, NJDOT's contractor, Cornell & Co. Inc., will close a single lane on Tonnele Avenue/Route 1&9 Truck near the Tonnele Circle in Jersey City for guiderail, safety, and traffic signal improvements in and around Tonnele Circle.

The work is part of the Rocker Bearing Investigation Contract 8A of the Pulaski Skyway rehabilitation project, which is being advanced through multiple construction contracts. The Department is carefully coordinating the Pulaski Skyway project with other regional transportation infrastructure projects to minimize traffic congestion. Contract 8A is expected to be complete early this summer

The Department has a project hotline telephone number, 973-776-7400, and email, [Pulaski.Skyway@dot.nj.gov](mailto:Pulaski.Skyway@dot.nj.gov). Anyone who has questions, concerns, or suggestions is encouraged to contact the Project Outreach Team as work progresses.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) or on the [NJDOT Facebook page](#).
