## **I-295/Route 33 ramps to be closed as bridge deck improvements project begins in Mercer County Overnight detours necessary for about two weeks**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced the start of a bridge deck rehabilitation project on the I-295 exit ramp leading to Route 33 in Hamilton, Mercer County.

Beginning at 8 p.m. tonight, Monday, November 8 until 6 a.m. the next day, and continuing Monday through Friday for approximately the next two weeks, NJDOT's contractor, Mount Construction, is scheduled to close the I-295 northbound connection ramp to Exit 63B and the Hamilton Avenue eastbound ramp to Route I-295 northbound for repairs to the bridge deck, joints, headers, and curbs. The following detours will be in place:

### **I-295 northbound to Route 33 westbound detour:**

- Motorists wishing to take I-295 northbound Exit 63B to Route 33 westbound will be directed to take Exit 63A to Route 33 eastbound, *which is before Exit 63B*
- Merge onto Hamilton Avenue
- At the traffic signal bear right onto Route 33 eastbound/Nottingham Way
- At the next traffic signal keep right to stay on Route 33 eastbound
- Turn left onto White Horse Avenue
- Turn left onto Nottingham Way, which becomes Route 33 westbound

### **Hamilton Avenue eastbound to I-295 northbound detour:**

- Motorists wishing to take the ramp onto I-295 northbound will be directed to continue on Hamilton Avenue
- At the traffic signal bear right onto Route 33 eastbound/Nottingham Way
- Turn left onto E. State Street
- Take the ramp onto I-295 northbound

Variable Message Signs will provide advance notification of any traffic pattern changes. The precise timing of the work is subject to change due to weather or other factors.
