The Honorable James S. Simpson  
Commissioner  
Department of Transportation  
Post Office Box 600  
Trenton, New Jersey 08625

Dear Commissioner Simpson:

We are writing, once again, to express our strong support for the Route 23 Sussex Borough Realignment and Papakating Creek Bridge Replacement project in Sussex County. This transportation project was designed through the joint efforts of the NJDOT, Sussex Borough, and the County of Sussex, and is recommended to help alleviate the current congestion problems within the Borough and along State Route 23.

As stated in our previous correspondence, the Route 23 realignment project will improve traffic flow, relieve congestion, increase pedestrian safety and help reduce the incidences of vehicular accidents. The redesign creating a new Route 23 Southbound corridor will also provide space for additional retail shops and act as a revenue generator for Sussex Borough and the local community.

We wholeheartedly support this worthy project and trust that it will be given every consideration for immediate funding.

Sincerely,

Alison Littell McHose  
Assemblywoman

Steven V. Oroho  
Senator

Gary R. Chiusano  
Assemblyman
