INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Board Commissioners of
New Jersey Public Broadcasting Authority

We have performed the procedures enumerated below, which were agreed to by the New Jersey Public Broadcasting Authority ("Authority"), solely to assist the specified parties in evaluating the reliability of amounts reported as non-federal financial support ("NFFS") for the fiscal year ended June 30, 2019, in the Annual Financial Report ("AFR") for the Corporation for Public Broadcasting ("CPB"), as prescribed by the CPB Financial Reporting Guidelines ("Guidelines"). The Authority is responsible for compliance with those requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

Management prepared the attached combining financial statements and schedules listed in the table of contents. These combining financial statements and schedules were prepared for the specific purpose of presenting the financial results of the Authority, as well as Public Media NJ, Inc. ("PMNJ"), an organization considered "financially interrelated," as that term is used in the CPB Guidelines. PMNJ, a New Jersey nonprofit, 501(c)(3) corporation, entered into a programming and services agreement with the Authority dated July 1, 2011. The combining financial statements include information extracted from the separately audited financial statements of the Authority and PMNJ.

The procedures that we performed and the associated findings are as follows:

1. We traced the individual and aggregate balances reported on the combining balance sheet and combining statement of revenues, expenses and changes in net position (the "combining statements"), on pages three and four to the audited financial statements of each entity.

We found no exceptions as a result of our procedures.

2. We traced the combining statement of revenues, expenses and changes in net position totals to the combining schedule of revenues in the CPB AFR and to the combining schedule of expenses/capital outlay in the CPB AFR, on pages five and six, respectively.

We found no exceptions as a result of our procedures.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES (CONTINUED)

3. We obtained an understanding of the qualifications used to determine if support and revenues meets the criteria as NFFS as per CPB Guidelines, Section 2, and verified the amounts reported in the AFR as NFFS met the criteria.

We found no exceptions as a result of our procedures.

4. We tested a sample of cash receipts of the Authority for proper line item classification.

We found no exceptions as a result of our procedures.

5. We obtained an understanding of the expense allocation methods utilized by the Authority and reviewed for compliance with the acceptable methodology for indirect administrative support rules determined in Section 2.6 of the CPB Guidelines.

We found no exceptions as a result of our procedures.

6. We tested a sample of indirect costs for exclusion of licensee costs not directly benefiting station operations.

We found no exceptions as a result of our procedures.

7. We obtained an understanding of the valuation methodology and documentation process for contributed goods and services received to ensure fair value reporting is consistent with industry standards.

We found no exceptions as a result of our procedures.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion on compliance with CPB guidelines for preparing the AFR. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Authority's Board of Commissioners, Authority Management, PMNJ and CPB and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Mercadon, P.C.
Certified Public Accountants
