SUBJECT: Special Open Enrollment Period to Allow Selection of a New Health Plan

The New Jersey Division of Pensions & Benefits (NJDPB) will be holding a special Open Enrollment period for University Hospital employees enrolled in the State Health Benefits Program (SHBP) to allow for the selection of the NJ DIRECT/NJ DIRECT 2019* plan or the Tiered Network plan (OMNIA).

SPECIAL OPEN ENROLLMENT

Members enrolled in a plan other than NJ DIRECT/NJDIRECT 2019 or OMNIA may change their plan via Benefitsolver to one of these plans during a special Open Enrollment period to be held **December 12, 2022, to December 20, 2022**. The special Open Enrollment period will be for medical plan changes only; no addition of dependents or dental plan changes will be permitted. Plan changes will take effect January 1, 2023.

There will be a premium reduction for members who change their plan to NJ DIRECT/NJDIRECT 2019 or OMNIA during this Open Enrollment period. Members who wish to remain in their current plan will continue to pay a percentage of the full cost premium based on their salary. See the "Employee Contributions" section for more information.

**Members hired before July 1, 2019, will be enrolled in NJ DIRECT. Members hired after July 1, 2019, will be enrolled NJ DIRECT 2019.*

NJ DIRECT/NJ DIRECT 2019

For NJ DIRECT/NJ DIRECT 2019, a Preferred Provider Organization (PPO) administered by Horizon, the out-of-network reimbursement rate will be 175 percent of Centers for Medicare & Medicaid Services (CMS) reimbursement amounts.

Emergency room copayments are: \$150 for adults; \$50 for adults directed to the emergency room by their primary care physician; and \$50 for pediatric (through age 19). These copayments will be waived if admitted to the hospital.

Members and spouses who participate in NJWELL and complete their necessary health screenings and activities can earn a financial reward of \$350 each.

OMNIA

The OMNIA Health Plan is a Tiered Network plan administered by Horizon which gives members the flexibility to visit high-quality practitioners in the carrier's managed care network, significant premium share reductions, and no referrals are required. There will be lower member cost sharing and copays for an office visit when utilizing Tier 1 providers. Tier 1 refers to specific doctors, hospitals and other health care professionals who offer high-quality, cost-effective care. Tiered Network plan members also have the flexibility to see any Tier 2 provider included in the managed care network, but with slightly higher cost sharing. There is no out-of-network coverage with OMNIA.

Members who change to OMNIA will receive a financial incentive of \$1,000 as a first-time enrollee who remains enrolled for one year for all coverage levels (i.e., Single, Member and Spouse, Parent and Child, or Family coverage). The incentive is paid by gift card no later than the end of the current tax year and is deemed reportable income for tax purposes. The incentive shall be forfeited and returned to the SHBP if the subscriber fails to remain enrolled in OMNIA for at least one plan year.
