TO: Participating SHBP and SEHBP Employers
FROM: New Jersey Division of Pensions & Benefits (NJDPB)
SUBJECT: Required Notices to SHBP/SEHBP Enrollees - for Plan Year 2021

Federal law mandates employers to provide notice of requirements concerning the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), the Health Insurance Portability and Accountability Act (HIPAA), and the Patient Protection and Affordable Care Act (PPACA) to employees and their dependents 1.) upon the employee's enrollment in the employer's group health insurance, and 2.) at certain other times during the employee's working career.

New Jersey State law requires notice of certain coverage available under the State Health Benefits Program (SHBP) and School Employees' Health Benefits Program (SEHBP) upon an employee's enrollment in the Program.

As a participating employer, this packet includes everything you need for compliance with the notification requirements. Specific distribution instructions are detailed in the latter portion of this letter.

DOCUMENTS FOR REQUIRED NOTIFICATIONS

The documents included in this packet are:

- A cover letter for use in forwarding the required notices to new enrollees. You should modify this letter to reflect its being mailed from your employing location and address it to the "employee and family" (see the "Delivery Requirements" section).
- Enclosure One — COBRA Notice marked "Important Notice" and including "COBRA Highlights"; "Special Notices Concerning COBRA"; and the *COBRA – Continuation of Health Benefits* Fact Sheet; with detailed information about COBRA coverage.
- Enclosure Two — Notice to Health Benefits Program Participants about Compliance with Federal Health Insurance Requirements with information about special coverage provisions.
- Enclosure Three — HIPAA Notice of Privacy Practices to enrollees in the SHBP/SEHBP and the HIPAA privacy Notice of Availability.
- Enclosure Four — Medicaid and CHIP Notice with information about premium assistance available to individuals for employer-sponsored health coverage.
- Enclosure Five — The *Health Benefits Coverage of Children until Age 31 under Chapter 375* Fact Sheet, as provided under New Jersey state law.

DISTRIBUTION INSTRUCTIONS

Distribution requirements vary for newly enrolled employees and employees during their working careers. The required documents and distribution time frames are outlined below.

Newly Enrolled Employees

Notices must be distributed to new employees *at the time of enrollment* into the SHBP or SEHBP. New enrollees receive the cover letter (see “Delivery Requirements” section) along with enclosures one through five. For enclosure three, new enrollees must be provided with the complete *Notice of Privacy Practices*.

Current Employees

Certain notices are required to be distributed to all enrolled employees no less frequently than once every three years. The distribution must contain enclosures two through five. (For enclosure three, continuing enrollees only need to be provided with the HIPAA *Notice of Availability*.) The cover letter can also be modified at the employer’s option and included to explain the contents of the required distribution.

DELIVERY REQUIREMENTS

The federal government has specific distribution requirements for COBRA and HIPAA information provided to new and/or current employees. To meet federal distribution requirements, the envelope and cover letter must be addressed to the “Employee and Family” and must be distributed by one of the following methods.

1. U.S. Mail — regular first class mail is sufficient;
2. By email to the employee’s work email address with verification of receipt; or
3. To an employee’s private email address with verification of receipt and where there is prior agreement by the individual to receive electronic notice at the private address and where such agreement has not been withdrawn.

When email verification indicates a failure of delivery, a paper version of the required notification must be mailed to the “Employee and Family.”

In all cases, records of the distribution must be retained by the employer to prove compliance. Additional information and printable versions of the attached forms can be found in the *Employer’s Pensions and Benefits Administration Manual* (EPBAM) which is available online at: www.nj.gov/treasury/pensions

Questions about this letter should be directed to the NJDPB’s Office of Client Services at (609) 292-7524 or sent by email to: pensions.nj@treas.nj.gov

(COVER LETTER TO BE PUT ON
EMPLOYER LETTERHEAD)

(DATE)

TO: (EMPLOYEE NAME) and Family

FROM: (EMPLOYER)

SUBJECT: Notification of Health Benefits Rights Under Federal Law

This letter provides information about health benefits that federal and State law requires your employer to send to you and your family members enrolled under State Health Benefits Program (SHBP) or School Employees' Health Benefits Program (SEHBP) coverage. Everyone enrolled under your coverage should read this information.

You should keep this letter and the enclosed information for future reference.

The first enclosure (the initial notification marked "Important Notice" and a copy of the *COBRA – Continuation of Health Benefits* Fact Sheet) details your rights under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA). COBRA allows you or your covered dependents to extend health benefit coverage under the SHBP or SEHBP employee group in certain cases where you would otherwise lose that coverage.

The second enclosure (*Notice to Health Benefits Program Participants about Compliance with Federal Health Insurance Requirements*) contains information about special coverage provisions under federal law. The law establishes certain coverage requirements applicable to most employer health insurance plans. Certain plans, such as those in the SHBP or SEHBP, may exempt themselves from some of these requirements as long as participants of the plan are notified of the exemption. See the second enclosure for details about the SHBP/SEHBP's compliance with the health insurance coverage required by these federal laws.

The third enclosure (*Notice of Privacy Practices to Enrollees in the SHBP/SEHBP*) addresses privacy requirements under the Health Insurance Portability and Accountability Act (HIPAA) and how the SHBP/SEHBP may use and/or allow access to your personal health information.

The fourth enclosure (*Medicaid and Children's Health Insurance Programs*) provides information about premium assistance available to individuals for employer-sponsored health coverage.

The fifth enclosure (*the Health Benefits Coverage of Children until Age 31 under Chapter 375 Fact Sheet*) provides information about the coverage available to over age children who lose health benefit coverage prior to turning age 31.

There is nothing that you or your family members have to do as a result of this mailing. The sole purpose is to inform you of your rights under these federal and State laws and, by doing so, comply with the notification requirements contained in the laws. If you have any questions concerning this mailing, you should contact (employer human resource/benefits manager contact information) or the New Jersey Division of Pensions & Benefits' Office of Client Services at (609) 292-7524.

**INFORMATION ON THE
CONTINUATION OF GROUP HEALTH INSURANCE COVERAGE
FOR NEW EMPLOYEES AND DEPENDENTS
UNDER THE PROVISIONS OF COBRA**

IMPORTANT NOTICE

THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT (COBRA) OF 1985

Dear Employee and Family Members:

The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 contains a provision pertaining to the continuation of health care benefits for persons enrolled for coverage through an employer group plan. COBRA requires that most employers sponsoring group health plans offer employees and their families who are losing coverage under the employer's plan the opportunity for a temporary extension of health coverage. This coverage, called continuation coverage, would be offered at group rates plus a small administrative fee, in certain instances where coverage under the plan would otherwise end.

This notice is intended to inform you of the rights and obligations under the continuation coverage provisions of the COBRA law should you ever lose the group health coverage provided through the New Jersey State Health Benefits Program (SHBP) or School Employees' Health Benefits Program (SEHBP).

This notice includes:

- COBRA Highlights
- Special Notices Concerning COBRA
- The *COBRA - Continuation of Health Benefits* Fact Sheet

Please take the time to read this notice carefully. Specific action must be taken by the employer, the employee, and covered family members to ensure the continuity of benefits under COBRA.

COBRA HIGHLIGHTS

EMPLOYER REQUIREMENTS

- Notify all newly hired employees and their dependents, within 90 days of when they are first enrolled in the SHBP or SEHBP, of the COBRA provisions by mailing a copy of the notification letter to their home.
- Notify the employee, spouse, civil union or domestic partner, and/or dependents of their rights to purchase continued health coverage within 14 days of receiving notice that there has been a COBRA-qualifying event. An application form and rate chart should be made available with the *COBRA Notice* that gives the date of termination of coverage and the period of time over which coverage may be extended. The notification must be mailed to the employee and family at the home address on file and a record of this notification should be maintained.

EMPLOYEE REQUIREMENTS

- The employee must notify the employer of a COBRA-qualifying event such as divorce, legal separation, termination of a civil union or domestic partnership, or dependent child ceasing to be eligible for coverage. This must be done within 60 days of the qualifying event.
- The employee or qualified beneficiary must notify the Health Benefits Bureau of the New Jersey Division of Pensions & Benefits of their decision to elect continued coverage by filing a *COBRA Application* and submitting required premiums within 60 days of employer notification.

SPECIAL NOTICES CONCERNING COBRA

1. If coverage under the plan is modified for group employees, the coverage will also be modified in the same manner for all COBRA eligible individuals electing continuation coverage.
2. If a second qualifying event occurs during the 18-month period following the date of employee's termination or reduction in hours, the beneficiary of that second qualifying event will be entitled to 36 months of continuation coverage. The period, however, will be measured from the date of the first qualifying event. **Example:** *John Smith terminates employment and enrolls in COBRA with husband and wife coverage for an 18-month term. In the tenth month, he dies. Mrs. Smith is now eligible to continue her coverage for a total of 36 months from the first COBRA event, leaving her 26 months of remaining eligibility.*
3. COBRA continuation will terminate on the date that the enrollee first becomes covered under any other group health plan as an employee or dependent.
4. If the health plan being continued offers a choice among types of coverage, employee, spouse/partner, and dependents are each entitled to make their own decision as to these choices.
5. If the employee or spouse/partner declines coverage, the spouse/partner and/or dependents may elect it for themselves.
6. COBRA subscribers are permitted to add dependents to their existing coverage within 60 days of their acquiring those dependents (i.e., marriage, entering a domestic partnership, birth, adoption, guardianship).
7. COBRA enrollees have the same rights to coverage at Open Enrollment as are available to active employees. This means that you or a dependent who elected to enroll under COBRA are able to enroll in any health plan and, if offered by your employer, the Employee Dental Plans or Employee Prescription Drug Plan coverage during the Program's Open Enrollment period regardless of whether you elected to enroll for the coverage when you first enrolled in COBRA. However, the addition of a benefit during the Open Enrollment does not extend the maximum COBRA coverage period. All COBRA enrollees receive Open Enrollment information mailed directly to the address on file with the Program.
8. In order to protect you and your family's rights, you should keep your employer and the NJDPB informed of any changes in your address and the address(es) of your family members

COBRA — The Continuation of Health Benefits

Information for:
State Health Benefits Program (SHBP)
School Employees' Health Benefits Program (SEHBP)

INTRODUCTION

The federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires that most employers sponsoring group health plans offer employees and their eligible dependents — also known under COBRA as qualified beneficiaries — the opportunity to temporarily extend their group health coverage in certain instances where coverage under the plan would otherwise end. For State Health Benefits' Program (SHBP) and School Employees' Health Benefits Program (SEHBP) participants, COBRA is not a separate health program; it is a continuation of SHBP or SEHBP coverage under the provisions of the federal law.

Note: Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) during what is called a Special Enrollment Period. Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at: www.healthcare.gov

ELIGIBILITY FOR COBRA

Employees enrolled in the SHBP or SEHBP may continue coverage under COBRA, in any plan for which the employee is eligible, if coverage ends because of:

- Reduction in working hours;
- Leave of absence; or
- Termination of employment for reasons other than gross misconduct.

Note: Employees who at retirement are eligible to enroll in SHBP or SEHBP Retired Group coverage cannot enroll for health benefit coverage under COBRA.

Spouses, civil union partners, same-sex domestic partners,* or children under the age of 26 enrolled in the SHBP or SEHBP may continue coverage under COBRA, in any plan for which the employee is eligible, if coverage ends because of:

- Death of the employee;
- End of the employee's coverage due to a reduction in working hours, leave of absence, or termination of employment for reasons other than gross misconduct;
- Divorce or legal separation of the employee and spouse;
- Dissolution of a civil union or domestic partnership; or
- Election of Medicare as the employee's primary insurance carrier (requires dropping the group coverage carried as an active employee).

Note: Each qualified beneficiary may independently elect COBRA coverage to continue in any or all of the coverage you had as an active employee or dependent (medical, prescription drug, dental, and/or vision). You and/or your dependents may change your medical and/or dental plan when you enroll in COBRA. You may also elect to cover the same dependents you had as an active employee, or you can delete dependents to reduce your level of coverage. However, you cannot increase the level of your coverage, except during the annual Open Enrollment period, unless a qualifying event occurs (e.g., birth, adoption, marriage, civil union, domestic partnership) and you notify the New Jersey Division of Pensions & Benefits (NJDPB) COBRA Administrator within 60 days of the qualifying event.

*For more information about health benefits for civil union or domestic partners, including eligibility requirements, see the *Civil Unions and Domestic Partnerships Fact Sheet*.

DURATION OF COBRA COVERAGE

The length of your COBRA coverage continuation depends on the nature of the COBRA-qualifying event that entitled you to the coverage.

- For loss of coverage due to termination of employment, reduction of hours, or leave of absence, the employee and/or dependents are entitled to 18 months of COBRA coverage. Time on a leave of absence just before enrollment in COBRA, unless under the federal and/or State Family Leave Act, counts toward the 18-month period and will be subtracted from the 18 months. Time a member spends on federal or State leave will not count as part of the COBRA eligibility period.
- If you receive a Social Security Disability determination for an illness or injury you had when you enrolled in COBRA or incurred within 60 days of enrollment, you and your covered dependents are entitled to an extra 11 months of COBRA coverage (up to a maximum of 29 months). You must provide proof within 60 days of the disability determination from the Social Security Administration or within 60 days of COBRA enrollment.
- For loss of coverage due to the death of the employee, divorce or legal separation, dissolution of a civil union or domestic partnership, other dependent ineligibility, or Medicare entitlement, the continuation term for dependents is 36 months.

COST OF COVERAGE

You are responsible for paying the cost of your coverage under COBRA, which is the full group rate plus a two percent administrative fee. The NJDPB will bill you on a monthly basis.

EMPLOYEE / QUALIFIED BENEFICIARY RESPONSIBILITIES UNDER COBRA

The law requires that employees and/or their dependents:

- Keep the employer and the NJDPB informed of any changes to the address information of all possible qualified beneficiaries;
- Notify the employer that a divorce, legal separation, dissolution of a civil union or domestic partnership, or the death of the employee has occurred — notification must be given within 60 days of the date the event occurred. If you do not inform your employer of the change in dependent status within the 60-day requirement, you may forfeit your dependent's right to COBRA;
- File a *COBRA Application* within 60 days of the loss of coverage or the date of the *COBRA Notice* provided by the employer, whichever is later;
- Pay the required monthly premiums in a timely manner;
- Pay premiums, when billed, retroactive to the date of group coverage termination;
- Notify the NJDPB COBRA administrator, in writing, of any second qualifying event that results in an extension of the maximum coverage period. See the "Duration of COBRA Coverage" section; and
- Provide notice of any determination that a qualified beneficiary who had received a disability extension is no longer disabled. This notice must be sent to the NJDPB COBRA Administrator within 30 days of determination by the Social Security Administration. Failure to provide timely notification may result in adjustments to any claims paid erroneously.

EMPLOYER RESPONSIBILITIES UNDER COBRA

The COBRA law requires employers to:

- Notify employees and their dependents of the COBRA provisions within 90 days of when the employee/dependents are first enrolled in the SHBP or SEHBP by mailing a notification letter to the home address;
- Send the *COBRA Notice* and a *COBRA Application* within 14 days of receiving notice that a COBRA-qualifying event has occurred. The notice outlines the right to purchase continued health coverage, gives the date coverage will end, and the period of time over which coverage may be extended;
- Notify the NJDPB within 30 days of the date of an employee's/dependent's qualifying event or loss of coverage. An employee's loss of coverage is reported by completing a *Transmittal of Deletions Sheet*. A dependent's loss of coverage is reported through the NJDPB's receipt of a completed *Health Benefits Enrollment and/or Change Form* terminating the dependent's coverage; and
- Maintain records documenting their compliance with the COBRA law.

ENROLLING IN COBRA COVERAGE

The employee and/or the dependent seeking coverage is responsible for submitting a *COBRA Application* to the Health Benefits Bureau of the NJDPB. This application must be filed within 60 days of the loss of coverage or of the date of employer notification, whichever is later. Failure to submit the application within the time frame allowed by law is considered a decision not to enroll.

If you are retiring, you may be eligible for lifetime health, prescription drug, and dental coverage through the Retired Group of the SHBP or SEHBP. If you are eligible for Retired Group coverage, you are not eligible to continue coverage under COBRA. Consult your employer or the NJDPB prior to your retirement date.

FAILURE TO ELECT COBRA COVERAGE

In considering whether to elect continuation of coverage under COBRA, a qualified beneficiary should take into account that a failure to continue group health coverage will affect future rights under federal law.

You have the right under federal law to request special enrollment in another group health plan for which you are otherwise eligible, such as a plan sponsored by your spouse's/partner's employer, within 30 days of the date your group coverage ends. You will also have the same special enrollment right at the end of the COBRA coverage period provided the continuation of coverage under COBRA is for the maximum time available to you.

AFTER YOU HAVE ENROLLED IN COBRA

You should be aware of the following information after you have enrolled in COBRA:

- Bills will be sent from the NJDPB Health Benefits Bureau. Any billing questions must be referred to the:

New Jersey Division of Pensions & Benefits
COBRA Administrator
Health Benefits Bureau
P.O. Box 299
Trenton, NJ 08625-0299

or you may call the NJDPB Office of Client Services at (609) 292-7524.

- You will be billed monthly. Accounts delinquent

over 45 days will be closed and insurance coverage terminated retroactively to the date of last payment, or to the end of the month in which claims were submitted. If you do not receive a monthly bill or misplace it, contact the Office of Client Services. It is your responsibility to make payment on a timely basis.

- Once you are enrolled in COBRA, claims are handled just like active employee claims (i.e., using the same claim forms and procedures). However, you must indicate your status as a COBRA participant on all claim forms; this will help prevent claim processing issues. All COBRA premiums must be paid through the date of the claim in order for the claim to be processed. Questions about claims should be directed to the insurance carriers. The single exception is that vision plan claims are sent directly to the COBRA Administrator at the address previously shown.
- Plan administration under COBRA follows the same rules as for active employees. However, all activity is processed through the COBRA Administrator rather than the former employer. COBRA subscribers are permitted to change medical and/or dental plans and/or add coverage during the annual Open Enrollment period through the COBRA Administrator. All COBRA enrollees will receive Open Enrollment information mailed directly to their address on file with the SHBP or SEHBP.
- All changes in coverage due to a qualifying event must be made in writing to the COBRA Administrator at the address previously provided. Upon receipt of your letter, you will be sent a *COBRA Application*. To increase coverage, you have 60 days from the date of the qualifying event to make the change.

- To change plans because you have moved out of your plan's service area, you have 30 days to make the change.
- These changes must be requested within the specified time frames, otherwise they may only be made during the Open Enrollment period. You may decrease your coverage (delete a dependent) at any time, but not retroactively.

TERMINATION OF COBRA COVERAGE

Your COBRA benefits under the SHBP or SEHBP will terminate for any of the following reasons:

- Your employer (or former employer) no longer provides SHBP or SEHBP coverage to any of their employees. In this case, your employer will give you the opportunity to continue COBRA coverage through their new insurance plan for the balance of your COBRA continuation period;
- You become eligible for Medicare after you elect COBRA coverage (affects medical insurance coverage only; does not affect dental, prescription drug, or vision care coverage);
- You voluntarily cancel your coverage;
- You fail to pay your premiums; or
- Your eligible coverage continuation period ends.

CONVERSION OF COBRA COVERAGE

The COBRA law provides that you must be allowed to convert your coverage to an individual, non-group policy of the same health plan provided under the SHBP or SEHBP at the end of your COBRA enrollment period. You must complete your full coverage continuation period. Contact the health plan for details.

Note: There are no conversion provisions for prescription drug or dental coverage.

A NOTE ABOUT COVERAGE FOR CHILDREN AGE 26 UNTIL AGE 31

The NJDPB has specific guidelines about providing health coverage to children past the age of 26 until age 31 due to the enactment of P.L. 2005, c. 375 (Chapter 375). A child who attains age 26 and needs continued coverage can select either COBRA coverage or Chapter 375 coverage for medical benefits. Rates for COBRA coverage and Chapter 375 coverage can change annually; be sure to compare the rates prior to enrolling in either program.

Note: If the child opts to enroll in Chapter 375, he/she will not be permitted to enroll in COBRA once enrollment in Chapter 375 terminates.

Chapter 375 does not cover vision or dental benefits. If your child wishes to obtain those coverages, he/she must apply for them under COBRA.

The eligibility requirements for Chapter 375 are outlined in the *Health Benefits Coverage of Children Until Age 31 Under Chapter 375* Fact Sheet, which is available on our website.

This notice is being provided to inform you about State Health Benefits Program (SHBP) and School Employees' Health Benefits Program (SEHBP) conformance with federal health insurance regulations.

1. Offer a special enrollment period to employees and dependents who do not enroll in the plan when initially eligible because they have other coverage, and who subsequently lose that coverage;
2. Provide a minimum level of hospital coverage for newborns and mothers, generally 48 hours for a vaginal delivery and 96 hours for a cesarean delivery;
3. Provide certain benefits for breast reconstruction after a mastectomy;
4. Continued coverage for up to one year for a dependent child who is covered as a dependent under the plan solely based on student status, who takes a medically necessary leave of absence from a postsecondary educational institution;
5. Provide parity in mental health benefits, that is, any dollar limitations applied to mental health treatment cannot be lower than those on medical and surgical benefits.

All SHBP and SEHBP plans will meet or exceed all federal requirements for 2021.

When using or disclosing PHI, the Programs will make every reasonable effort to limit the use or disclosure of that information to the minimum extent necessary to accomplish the intended purpose. The Programs maintain physical, technical and procedural safeguards that comply with federal law regarding PHI. In the event of a breach of unsecured PHI the member will be notified.

Member Rights

Members of the Programs have the following rights regarding their PHI:

Right to Inspect and Copy: With limited exceptions, members have the right to inspect and/or obtain a copy of their PHI that the Programs maintain in a designated record set which consists of all documentation relating to member enrollment and the Programs' use of this PHI for claims resolution. The member must make a request in writing to obtain access to their PHI. The member may use the contact information found at the end of this Notice to obtain a form to request access.

Right to Amend: Members have the right to request that the Programs amend the PHI that we have created and that is maintained in our designated record set.

We cannot amend demographic information, treatment records or any other information created by others. If members would like to amend any of their demographic information, please contact your personnel office. To amend treatment records, a member must contact the treating physician, facility, or other provider that created and/or maintains these records.

The Programs may deny the member's request if: 1) we did not create the information requested on the amendment; 2) the information is not part of the designated record set maintained by the Programs; 3) the member does not have access rights to the information; or 4) we believe the information is accurate and complete. If we deny the member's request, we will provide a written explanation for the denial and the member's rights regarding the denial.

Right to an Accounting of Disclosures: Members have the right to receive an accounting of the instances in which the Programs or our Business Associates have disclosed member PHI. The accounting will review disclosures made over the past six years. We will provide the member with the date on which we made a disclosure, the name of the person or entity to whom we disclosed the PHI, a description of the information we disclosed, the reason for the disclosure, and certain other information. Certain disclosures are exempted from this requirement (e.g., those

made for treatment, payment or health benefits operation purposes or made in accordance with an authorization) and will not appear on the accounting.

Right to Request Restrictions: The member has the right to request that the Programs place restrictions on the use or disclosure of their PHI for treatment, payment, or health care operations purposes. The Programs are not required to agree to any restrictions and in some cases will be prohibited from agreeing to them. However, if we do agree to a restriction, our agreement will always be in writing and signed by the Privacy Officer. The member request for restrictions must be in writing. A form can be obtained by using the contact information found at the end of this Notice.

Right to Restrict Disclosures: The member has the right to request that a provider restrict disclosure of PHI to the Programs or Business Associates if the PHI relates to services or a health care item for which the individual has paid the provider in full. If payment involves a flexible spending account or health savings account, the individual cannot restrict disclosure of information necessary to make the payment but may request that disclosure not be made to another program or health plan.

Right to Receive Notification of a Breach: The member has the right to receive notification in the event that the Programs or a Business Associate discover unauthorized access or release of PHI through a security breach.

Right to Request Confidential Communications: The member has the right to request that the Programs communicate with them in confidence about their PHI by using alternative means or an alternative location if the disclosure of all or part of that information to another person could endanger them. We will accommodate such a request if it is reasonable, if the request specifies the alternative means or locations, and if it continues to permit the Programs to collect premiums and pay claims under the health plan.

To request changes to confidential communications, the member must make their request in writing, and must clearly state that the information could

endanger them if it is not communicated in confidence as they requested.

Right to Receive a Paper Copy of the Notice: Members are entitled to receive a paper copy of this Notice. Please contact us using the information at the end of this Notice.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility –

Health Benefits Coverage of Children Until Age 31 Under Chapter 375

Information for:
State Health Benefits Program (SHBP)
School Employees' Health Benefits Program (SEHBP)

ELIGIBILITY

Under the State Health Benefits Program (SHBP) or the School Employees' Health Benefits Program (SEHBP), an eligible child is defined as a subscriber's child under age 26. Health benefits coverage for children usually ends as of December 31 of the year in which the child turns age 26.

Under the provisions of P.L. 2005, c. 375 (Chapter 375), as amended by P.L. 2008, c. 38 (Chapter 38), certain over age children may be eligible for coverage until age 31.

This includes a child by blood or law who:

- Is under the age of 31;
- Is unmarried;
- Has no dependent(s) of his or her own;
- Is a resident of New Jersey or is a full-time student at an accredited public or private institution of higher education; and
- Is not provided coverage as a subscriber, insured, enrollee, or covered person under a group or individual health benefits plan, church plan, or entitled to benefits under Medicare.

ENROLLMENT

A covered employee from a SHBP- or SEHBP-participating employer or retiree may enroll an over age child who is Chapter 375-eligible at either of the following times:

- If, within 60 days of coverage loss for the child, the covered employee or retiree provides proof of loss of other group coverage (HIPAA certificate). If the termination was due to the child attaining age 26 within the SHBP/SEHBP, proof of coverage loss is not required; coverage will be effective the date that the prior coverage was terminated; or
- During the Open Enrollment period of each year (October) if the over age child meets the eligibility requirements of Chapter 375 as outlined previously. Coverage will be effective the following January 1.

REQUIRED DOCUMENTATION

A completed *Chapter 375 Application*, a photocopy of the over age child's birth certificate, and a photocopy of the front page of the child's most recently filed federal tax return (*Form 1040*) are required. You may black out all financial information and all but the last four digits of any Social Security numbers.

If the child resides outside of the State of New Jersey, documentation of full-time student status must be submitted.

If applicable, proof of loss of other coverage (HIPAA certificate) is also required when enrolling for this extended coverage. If the over age child is adopted, a stepchild, or a legal ward, supporting documentation is required if not already on file. For a description of the required documentation, see the New Jersey Di-

vision of Pensions & Benefits (NJDPB) website at: www.nj.gov/treasury/pensions

PLAN SELECTION

Under Chapter 375, an over age child does not have any choice in the selection of benefits, but is enrolled in exactly the same plan or plans (medical and/or prescription drug) that the covered parent has selected. There is no provision for dental or vision benefits. See the "A Note About COBRA Coverage" section.

COVERAGE COSTS

When Chapter 375 coverage is elected, the covered parent will be billed directly for the cost; therefore, the covered parent is held responsible for the payment of the coverage.

Chapter 375 Rate Charts showing the premium amounts for all health benefit plans are available on our website.

Enrollment of over age children for coverage under Chapter 375 is voluntary. The provisions of Chapter 375 do not require an employer to pay any part of the cost of this coverage.

WHEN COVERAGE ENDS

Coverage for an enrolled over age child will end when the child no longer meets any one of the eligibility requirements previously listed or when the covered parent's coverage ends (e.g., termination of employment, divorce, or death of the covered parent). Coverage may also be terminated in the event of non-payment of the required premiums.

Chapter 375 coverage ends on the first of the month following the event that makes the child ineligible. Coverage will be terminated in accordance with N.J.S.A. 52:14-17.29k if premiums are not received within 45 days of the payment due date. If the coverage was used and the premium(s) was not paid, the parent and Chapter 375 subscriber will be responsible for the additional monthly premiums. To terminate coverage, complete a *Chapter 375 Application*. A letter signed by the covered parent is also acceptable.

Note: Written requests on the bill for termination will not be accepted.

The termination date is dependent upon the following:

- Date of acceptable request to terminate;
- Date of service of last paid claim; and/or
- Non-payment of premiums.

Terminations will not be retroactive unless the request is received within 30 days of the requested termination date and no claims have been paid for services after that date. Otherwise, the coverage will be terminated timely.

COVERAGE UNDER THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1985 (COBRA)

The year in which your covered child turns age 26, you will receive a COBRA notification letter prior to the termination of the child's coverage, which is required by federal law. The notice outlines the right to purchase continued health coverage, gives the date coverage will end, and the period of time over which coverage may be extended (usually 36 months). Rates for Chapter 375 coverage and COBRA coverage can change annually; be sure to compare the rates prior to enrolling in either program.

There is no provision for the continuation of group coverage under COBRA for a child due to the loss of Chapter 375 coverage, nor is there any provision for conversion to non-group coverage.

Since Chapter 375 does not cover vision and dental benefits, your child may request to obtain them under COBRA.

ADDITIONAL INFORMATION

For a *Chapter 375 Rate Chart*, a *Chapter 375 Application*, or if you have additional questions, see your employer's benefits administrator, or the Chapter 375 information on the NJDPB website.

If you need information concerning COBRA coverage, see the *COBRA — The Continuation of Health Benefits* Fact Sheet.

You may also contact the NJDPB Office of Client Services at (609) 292-7524, or email the NJDPB at: pensions.nj@treas.nj.gov

Note: Instead of enrolling in Chapter 375 coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through a Special Enrollment Period. Some of these options may cost less than Chapter 375 coverage. You can learn more about many of these options at: www.healthcare.gov
