

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is **only a summary**. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0 – Deductible does not apply	First day, first dollar coverage. You do not have to meet a <u>deductible</u> amount before this plan begins to pay for covered services you use. See the chart starting on page 2 for how much you pay for covered services.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. All eligible services.	This <a href="#">plan</a> covers items and services that do not require a <u>deductible</u> to be met.
Are there other <a href="#">deductibles</a> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Yes. For in-network and out-of-network providers \$400 out of pocket maximum. This is a combined annual maximum for in-network and out-of-network services.	The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charge for a Medicare provider who does not accept Medicare Assignment, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes, but not required as long as the provider accepts Medicare. For a list of in-network providers, see <a href="http://www.aetnamedicare.com/group/group_plans_intro.jsp">http://www.aetnamedicare.com/group/group_plans_intro.jsp</a> or call 1-866-234-3129.	In and out-of-network benefits do not apply to the Medicare PPO ESA plan. However, members need to use a <a href="#">licensed provider</a> with Medicare.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
