 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.state.nj.us/treasury/pensions/health-benefits.shtml](http://www.state.nj.us/treasury/pensions/health-benefits.shtml). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbcglossary>

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<b>\$200</b> individual/ <b>\$500</b> family for in-network services. <b>\$800</b> individual/ <b>\$2,000</b> family for out-of-network services. Deductibles are combined with medical plans.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive care is covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	In Network: <b>\$2,000</b> individual/ <b>\$5,000</b> family Out of network: <b>\$6,500</b> individual/ <b>\$13,000</b> family. Out-of-pocket limits are combined with medical plans.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="https://Optumrx.com/stateofnewjersey">https://Optumrx.com/stateofnewjersey</a> or call 1-844-368-8740 for a list of	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance

	network pharmacies.	billing).
