### 1. COMPLETING AND MAILING RETURNS:

Please read all instructions carefully before completing returns.

(a) Statutory references are to the New Jersey Statutes Annotated and indicate, unless otherwise designated, the section of the Corporation Business Tax Act, as amended and supplemented, on which the instruction is based. To obtain additional information or tax forms, follow the instructions on page 14.

(b) Print or type the Federal Employer Identification Number, New Jersey Corporation Number, Corporation Name and complete address and zip code in the space provided on the return.

(c) Provide the remaining information requested on the top portion of the return. The principal business activity code should be taken from the taxpayer’s Federal tax return. Be sure to provide the location of the corporate books as well as a contact person and telephone number.

(d) Send the completed return to: State of New Jersey, Division of Taxation, Revenue Processing Center, PO Box 666, Trenton, NJ 08646-0666.

2. (a) Unless the corporation is inactive for the entire period covered by the return, all schedules and questions must be answered unless permission to omit or substitute is indicated on the return form. All applicable schedules must be submitted on the official New Jersey tax form. If the answer to any item is “No” or “None”, write “No” or “None”. Do not merely leave the item blank.

(b) Inactive corporations that, during the period covered by the return, did not conduct any business, did not have any income, receipts or expenses, and did not own any assets, need only submit pages 1 through 4 (1 through 6 if software generated) of the return along with Schedule I, Certification of Inactivity. Payment for the related minimum tax liability and the installment payment (if applicable) must be submitted with Form CBT-100-V. Refer to instruction 30.

### 3. (a) 2015 ACCOUNTING PERIODS AND DUE DATES:

The 2015 Corporation Business Tax Return should only be used for accounting periods ending on and after July 31, 2015 through June 30, 2016. The due dates for all 2015 Corporation Business Tax Returns and payments are reported on the following schedule. If the due date falls on a weekend or a legal holiday, the return and payment are due on the following business day.

|------------------------------|---------------|--------------|---------------|--------------|--------------|--------------|

Calendar or fiscal accounting year is the same accounting period upon which the taxpayer is required to report to the United States Treasury Department for Federal Income Tax purposes. Please note the ending month of the accounting period for Federal returns and New Jersey returns must match; however, the tax return year for the Federal and State returns may differ. (i.e. A taxable year ending 8/31/15 may be filed on a 2014 Federal 1120; the same taxable year must be filed on a 2015 NJ CBT-100.) All accounting periods must end on the last day of the month, except that taxpayers may use the same 52-53 week accounting year that is used for Federal Income Tax purposes, see N.J.A.C. 18:7-2.3.

Do not alter the year appearing in the upper left hand corner of the taxable year caption on page 1 of the CBT-100. Changing the above information will delay the processing of your return. If returns are required for a different year, please refer to the index on page 14 of this booklet.
(b) NEW CORPORATIONS:

(1) Every New Jersey corporation acquires a taxable status beginning 1) on the date of its incorporation, or 2) on the first day of the month following its incorporation if so stated in its certificate of incorporation. Every corporation which incorporates, qualifies or otherwise acquires a taxable status in New Jersey must file a Corporation Business Tax Return. A tax return must be filed for each fiscal period, or part thereof, beginning on the date the corporation acquired a taxable status in New Jersey regardless of whether it had any assets or conducted any business activities. No return may cover a period exceeding twelve (12) months, even by a day.

(2) Every corporation that elects to be a New Jersey S Corporation must file a New Jersey S Corporation or New Jersey QSSS Election (Form CBT-2553) within one calendar month subsequent to the Federal S Corporation filing requirement.

(3) Every corporation which incorporates, qualifies or otherwise acquires a taxable status in New Jersey and which has adopted a fiscal year other than December 31, shall advise the Division of Taxation promptly of the date of such accounting period. If no such advice is received on or before April 18, 2016, the taxpayer will be deemed “delinquent” if no return is filed on or before April 18, 2016.

(c) TRANSACTIONS BUSINESS WITHOUT A CERTIFICATE OF AUTHORITY: In addition to any other liabilities imposed by law, a foreign corporation which transacts business in this State without a certificate of authority shall forfeit to the State a penalty of not less than $200.00, nor more than $1,000.00 for each calendar year, not more than 5 years prior thereto, in which it shall have transacted business in this State without a certificate of authority. N.J.S.A. 14A:13-11(3).

4. (a) PAYMENT OF TAX: Make remittance payable to “State of New Jersey - CBT” and forward with the payment voucher. Form CBT-100-V. MAKE OUT A SEPARATE REMITTANCE FOR EACH TAX RETURN (CBT-100) OR ESTIMATED PAYMENT VOUCHER (CBT-150) SUBMITTED. Do not remit the tax for two or more returns in one check. Indicate the taxpayer’s Federal Employer Identification Number on each remittance.

(b) All corporations are required to make installment payments of estimated tax. Generally, these payments are remitted with the form CBT-150. Refer to instruction 45 for further information. If tax liability is $500, refer to 7(d).

(c) To make payments electronically, refer to the instructions on page 13.

5. ELECTRONIC FUNDS TRANSFERS: The Division of Revenue and Enterprise Services has established procedures to allow the remittance of tax payments through Electronic Funds Transfer (EFT). Taxpayers with a prior year’s liability of $10,000 or more in any one tax are required to remit all tax payments using EFT. If you have any questions concerning the EFT program, call (609) 984-9830, fax (609) 292-1777 or write to NJ Division of Revenue, EFT Section, PO Box 191, Trenton, NJ 08646-0191.

6. PERSONAL LIABILITY OF OFFICERS AND DIRECTORS: Any officer or director of any corporation who shall distribute or cause to be distributed any assets in dissolution or liquidation to the stockholders without having first paid all corporation franchise taxes, fees, penalties and interest imposed upon said corporation, in accordance with N.J.S.A. 14A:6-12, N.J.S.A. 54:50-18 and other applicable provisions of law, shall be personally liable for said unpaid taxes, fees, penalties and interest. Compliance with N.J.S.A. 54:50-13 is also required in the case of certain mergers, consolidations and dissolutions.

7. EXTENSION OF TIME TO FILE RETURN/INSTRUCTIONS FOR FORM CBT-200-T:

(a) AUTOMATIC EXTENSION: Where a tentative return, Form CBT-200-T, and tax payment are timely and properly filed, it is the policy of the Division of Taxation to grant an extension of no more than six (6) months for filing the CBT-100.

The return must include the computation of tax liabilities on lines 1 and 2 and, if applicable, the Key Corporation AMA payment on line 3, and the Tentative Professional Fees on lines 5 and 6. Submit the completed CBT-200-T with payment of the total amount due as reflected on line 8. The tentative return must be postmarked on or before the original due date of the tax return.

(b) Where a request for extension is duly made, it will be granted by the Division. Approved extensions will not be confirmed in writing.

(c) MINIMUM TAX: see instruction 11(d).

(d) INSTALLMENT PAYMENT: Any taxpayer with a tax liability of at least $500 on line 1, may make a payment of 50% of line 1 in lieu of making the installment payments otherwise required. Taxpayers that report a tax liability greater than $500 on line 1 should not make an entry on line 2 and are required to make installment payments of estimated tax indicated in instruction 44. Any taxpayer with Professional Corporation Fee liabilities at line 5 must report and remit an installment payment of 50% of line 5.

(e) PENALTIES AND INTEREST

(1) Interest - The annual interest rate is 3% above the average predominant prime rate. Interest is imposed on each month or fraction thereof on the unpaid balance of tax from the original due date to the date of payment. At the end of each calendar year, any tax, penalties and interest remaining due will become part of the balance on which interest will be charged. The interest rates assessed by the Division of Taxation are published in the quarterly issues of the New Jersey State Tax News. See “Tax Forms and Information” on page 14 for information on obtaining copies of the newsletter.

NOTE: The average predominant prime rate is the rate as determined by the Board of Governors of the Federal Reserve System, quoted by commercial banks to large businesses on December 1st of the calendar year immediately preceding the calendar year in which payment was due or as redetermined by the Director in accordance with N.J.S.A. 54:48-2.

(2) Insufficiency Penalty - If the amount paid with the Tentative Return, Form CBT-200-T, is less than 90% of the tax liability computed on Form CBT-100, or in the case of a taxpayer whose preceding return covered a full 12 month period, is less than the amount of the tax computed at the rates applicable to the current accounting year but on the basis of the facts shown and the law applicable to the preceding accounting year, the taxpayer may be liable for a penalty of 5% per month or fraction thereof not to exceed 25% of the amount of underpayment from the original due date to the date of actual payment.

8. (a) CONSOLIDATED RETURNS NOT PERMITTED:

A corporation which is included in a consolidated Federal Income Tax Return must complete all schedules on its own separate basis and attach a copy of the Affiliations Schedule, Form 851, which it filed with Form 1120 for Federal Income Tax purposes.

(b) FEDERAL S CORPORATIONS: Federal S Corporations which have not elected and been authorized to be New Jersey S Corporations must complete this return as though no election had been made under Section 1362 of the Internal Revenue Code. A copy of form 1120S as filed must be submitted. Lines 1 through 28 on Schedule A of the CBT-100 must be completed. New Jersey S Corporations must file the New Jersey S Corporation Business Tax Return, Form CBT-100S.

(c) DOMESTIC INTERNATIONAL SALES CORPORATIONS (DISC’s): A Domestic International Sales Corporation must complete this return as though no election had been made under Sections 992-999 of the Internal Revenue Code. A DISC must complete all applicable schedules on the return.

(d) FOREIGN SALES CORPORATIONS (FSC’s): A foreign sales corporation must complete this return as though no election had been made under Sections 922-927 of the Internal Revenue Code. An FSC must complete all applicable schedules on the return. Under Section 5, P.L. 106-519, no corporation may elect to be an FSC after September 30, 2000.
10. RIDERS: Where space is insufficient, attach riders in the same form as the original printed sheets. Write on only one side of each sheet.

11. TAX RATES:
(a) For taxpayers with Entire Net Income (Page 1, lines 1 and 4(b)) greater than $100,000, the tax rate is 9% (.09) on adjusted entire net income or such portion thereof as may be allocable to New Jersey.
(b) For taxpayers with Entire Net Income (Page 1, lines 1 and 4(b)) greater than $50,000 and less than or equal to $100,000, the tax rate is 7.5% (.075) on adjusted entire net income or such portion thereof as may be allocable to New Jersey. Tax periods of less than 12 months qualify for the 7.5% rate if the prorated entire net income does not exceed $8,333 per month.
(c) For taxpayers with Entire Net Income (page 1, lines 1 and 4(b)) of $50,000 or less, the tax rate is 6.5% (.065) on adjusted net income or such portion thereof as may be allocable to New Jersey. Tax periods of less than 12 months qualify for the 6.5% rate if the prorated entire net income does not exceed $4,166 per month.

12. WHO MAY BE SUBJECT TO TAX: Any domestic or foreign corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument is subject to tax. This includes limited partnership associations organized pursuant to N.J.S.A. 42:3-1 et seq. and foreign limited partnership associations. No new limited partnership associations shall be formed in New Jersey after September 21, 1988.

13. CORPORATIONS REQUIRED TO FILE THIS RETURN:
(a) In general, every corporation existing under the laws of the State of New Jersey; and
(b) Every foreign corporation which (1) holds a general certificate of authority to do business in this State issued by the Secretary of State; or (2) holds a certificate, license or other authorization issued by any other department or agency of this State, authorizing the company to engage in corporate activity within this State; or (3) derives income from this State; or (4) employs or owns capital within this State; or (5) employs or owns property in this State; or (6) maintains an office in this State, is required to file a return. A foreign corporation that is a partner of a New Jersey partnership is deemed subject to tax in the state and must file a return.

14. SIGNATURE: Each return must be signed by an officer of the corporation who is authorized to attest to the truth of the statements contained therein. The fact that an individual’s name is signed on the return shall be prima facie evidence that such individual is authorized to sign the return on behalf of the corporation. Tax preparers who fail to sign the return or provide their assigned tax identification number shall be liable for a $25.00 penalty for each such failure. If the tax preparer is not self-employed, the name of the tax preparer’s employer and the employer’s tax identification number should also be provided. In the case of a corporation in liquidation or in the hands of a receiver or trustee, certification shall be made by the person responsible for the conduct of the affairs of such corporation.

15. FINAL DETERMINATION OF NET INCOME BY FEDERAL GOVERNMENT: Any change or correction made by the Internal Revenue Service to the Federal taxable income must be reported to the Division within ninety (90) days. To amend CBT-100 returns, use the CBT-100 form for the appropriate tax year and write “AMENDED RETURN” clearly on the front page of the form. Refer to instruction 48 for additional information.

16. SCHEDULE A - COMPUTATION OF ENTIRE NET INCOME: Every taxpayer must complete this schedule on the form provided. Federal S Corporations must also submit a copy of the corresponding Federal Income Tax return. For New Jersey tax purposes, each such corporation will be taxed on the basis of its entire net income in the same manner and to the same extent as if no Federal income tax election were permissible or had been made. Refer to instruction 8.

(a) GENERAL - LINES 1 THROUGH 38:
(1) Where the corporation has filed a Federal Income Tax Return on its own separate basis, the figures shown at lines 1 to 28 must be the same as lines 1 to 28 on page 1 of the Federal Income Tax Return, Form 1120.
(2) Where the corporation has not filed a separate Federal Income Tax Return, or where the figures shown at lines 1 to 28 are not the same as lines 1 to 28 on page 1 of the Federal Income Tax Return, taxpayer must explain and reconcile the differences on a rider.

(3) CONSOLIDATED RETURNS NOT PERMITTED: A corporation which is included in a consolidated Federal Income Tax Return must complete lines 1 to 38 on its own separate basis without consolidation with any other corporation. Refer to instruction 8(a).

(b) Lines 8 and 9: Add a rider or schedules showing the same information shown on Federal Form 1120, Schedule D and/or Form 4797. Gains and losses resulting from the disposition of property where a section 179 expense deduction was passed through to S Corp shareholders are not reported on Federal Form 4797, and should be reported on Schedule A, Line 10. If a sale of shares of stock or partnership interest resulted in a taxable transfer of a controlling interest in certain commercial real property under N.J.S.A. 54:15C-1, please so indicate on a rider.

(c) Line 28: This amount must agree with line 28, page 1, of the taxpayer’s unconsolidated Federal Form 1120 or the appropriate line from the Federal Form(s) 1120-IC-DISC, 1120-FSC or 1120-A, whichever is applicable.

(d) Line 29: Include any interest income that was not taxable for Federal Income Tax purposes, and was not included in total income reported on line 28, Schedule A.

(e) Line 30: Enter the total amount of interest deducted on Schedule A that was paid to related members and reported on Schedule G, Part I.

(f) Line 31: Enter the total taxes paid or accrued to the United States, a possession or territory of the United States, a state, a political subdivision thereof, or the District of Columbia, or to any foreign country, state, province, territory or subdivisions thereof, on or measured by profits or income, business presence or business activity, including any foreign withholding tax, or any sales and use tax paid by a utility vendor, taken as a deduction in Schedule A and reflected in line 28. Refer to instruction 29.

(g) Line 32: Enter the depreciation and other adjustments from Schedule S. Refer to instruction 42.

(h) Line 33(a): DEDUCTION FOR FOREIGN TAXES DEEMED PAID: The portion of any IRC Section 78 gross-up included in dividend income on line 4, Schedule A that is not excluded from entire net income on line 38, may be treated as deduction. Attach a copy of Federal Foreign Tax Credit Form 1118.

Line 33(b): Report amounts of (1) adjustments not otherwise specifically provided for; (2) gross income, less deductions and expenses in connection therewith, from sources outside the United States, (3) the add back of any deductions for research and experimental expenditures, to the extent that those research and experimental expenditures are qualified research expenses or basic research payments for which an amount of credit is claimed pursuant to section 1 of P.L.1993,c.175 (C.54:10A-5.24) unless those research and experimental expenditures are also used to compute a federal credit claimed pursuant to section 41 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.41, and (4) Federal Section 199 deduction. Attach separate riders explaining fully such items.

Line 33(c): Enter the net effect of the elimination of nonoperational activity or non-unitary partnership income and expenses from Schedule O, Part I, line 36.

Line 33(d): Enter the total amount of interest and intangible expenses and costs deducted on Schedule A that was paid to related members and reported on Schedule G, Part II.

(i) Line 35: A net operating loss for a taxable year may be carried forward as a net operating loss deduction to a succeeding year. A net operating loss is the excess of allowable deductions over gross income used in computing entire net income. Neither a net operating loss deduction nor the dividend exclusion is an allowable deduction in computing a net operating loss. The statute authorizes a carryover of the deduction for seven years. For losses occurring for any privilege period ending after June 30, 2009, the net operating loss carryover shall be twenty years. Schedule A-1 has been replaced by Form 500. Net operating losses must be detailed on Form 500, which is available separately. To obtain this form and related information, refer to the index on page 14.

(j) Line 37: Dividends from all sources must be included in Schedule A. However, an exclusion from entire net income for certain dividend income may be taken as indicated in Schedule R. Taxpayer may not include market fund income or REIT dividends as part of the dividend exclusion. The amount of the dividend exclusion allowed to be taken as a deduction is limited to the amount of income reported on line 36 of Schedule A for that tax year.

(k) RIGHT OF DIRECTOR TO CORRECT DISTORTIONS OF NET INCOME: The Director is authorized to adjust and redetermine items of gross receipts and expenses as may be necessary to make a fair and reasonable determination of tax payable under the Corporation Business Tax Act. For details regarding the conditions under which this authority may be exercised, refer to regulation N.J.A.C. 18:7-5.10.

17. SCHEDULE A-1 - NET OPERATING LOSS DEDUCTION AND CARRYOVER: Schedule A-1 has been replaced by Form 500. Net operating losses must be detailed on Form 500, which is available separately. To obtain this form and related information, refer to the index on page 14.

18. SCHEDULE A-2 - COST OF GOODS SOLD: The amounts reported on this schedule must be the same as the amounts reported on the taxpayer’s Federal income tax return. When calculating the American Manufacturing and Agriculture Deduction, corporations must calculate the Cost of Goods Sold per the AMA instructions.

19. SCHEDULE A-3 - SUMMARY OF TAX CREDITS: This schedule must be completed if one or more tax credits are claimed for the current tax period. The total on line 20 must equal the amount reported on page 1, line 10. Refer to instruction 43 for tax credit information. If an amount of credit to be refunded is calculated on a credit form that amount must be carried to page 1, line 19b, Refundable Tax Credit.

20. SCHEDULE A-4 - SUMMARY SCHEDULE: Every corporation must complete this schedule. Report the information on each line of the applicable version of Schedule A-4 from the return schedules indicated. All lines must be completed. Non-allocation taxpayers must enter 1,000,000 on the applicable line(s) for the applicable version.

21. SCHEDULE A-5 - FEDERAL IRC SECTION 199 ADJUSTMENT: Effective for privilege periods beginning after December 31, 2004, a limited IRC Section 199 deduction may be allowed for New Jersey CBT purposes on a separate entity basis. The Section 199 deduction which is allowable for New Jersey CBT purposes and entered on line 2, is computed on Form 501 which is available separately. To obtain this form, refer to the index on page 14.

22. SCHEDULE A-GR - COMPUTATION OF NEW JERSEY GROSS RECEIPTS AND MINIMUM TAX: If the greater of the amounts reported on page 1, lines 11 or 12 is less than $2,000, complete this schedule. Enter the greater of the computed tax liability or the amount on Schedule A-GR, line 7 on page 1, line 13. If the taxpayer is part of an affiliated group whose total payroll is $5,000,000 or more, the minimum tax is $2,000 regardless of the amount of the taxpayer’s New Jersey gross receipts, and Schedule A-GR need not be completed.

23. SCHEDULE AM - ALTERNATIVE MINIMUM ASSESSMENT FOR C CORPORATIONS: For privilege periods beginning on or after January 1, 2002, all New Jersey taxpayers, unless otherwise exempted, are required to pay a New Jersey Corporate Tax computed pursuant to Section 5 of P.L. 1945, (C.54:10A-5), or the elected Alternative Minimum Tax, whichever is greater. For returns with privilege periods beginning after June 30, 2006, there is no AMA, except for taxpayers claiming P.L. 86-272 immunity. There are two methods of determining the Alternative Minimum assessment: (a) based upon
PART I - computes New Jersey gross receipts, which equals the total of (1) sales of tangible personal property where shipment is made to points within this state, appropriation to the orders where shipment is made to points within this state, (2) services performed within the state, (3) rentals from properties situated, (4) royalties from the use of patents or copyrights, within the state, and (5) all other business receipts earned within the state. Investment income received by a taxpayer through ownership in a foreign or domestic entity is considered gross receipts for purposes of computing the taxpayer's alternative minimum assessment.

PART II - New Jersey gross receipts from Part I are used in Part II to compute New Jersey gross profits. This is calculated by subtracting New Jersey cost of goods sold from total New Jersey gross receipts. New Jersey cost of goods sold is computed by multiplying the total cost of goods sold (from Schedule A-2, line 8) by the New Jersey allocation factor or the receipts fraction of the allocation factor from Schedule J.

\[
\text{NJ Gross Receipts (from Schedule AM, Part I, line 6)} - \text{NJ Cost of Goods Sold (from Schedule AM, Part II, line 4)} = \text{New Jersey Gross Profits}
\]

PART III - reports the New Jersey Gross Receipts and the New Jersey Gross Profits.

NOTE: For taxpayers who were not required to file New Jersey CBT returns for any or all of the three prior privilege periods, enter N/A on the appropriate line(s).

PART IV - Computing the Alternative Minimum Assessment based on Gross Profits: Enter amount of New Jersey Gross Profits (from Part II, line 5) on Schedule AM, Part IV, line 1. If New Jersey Gross Profits are:

(a) Less than or equal to $1,000,000, the Alternative Minimum Assessment based on Gross Profits will be zero;
(b) Greater than $1,000,000, but not over $10,000,000, the Alternative Minimum Assessment will be .0025 times the gross profits in excess of $1,000,000, multiplied by the AMA exclusion rate of 1.11111;
(c) Greater than $10,000,000, but not over $15,000,000, the Alternative Minimum Assessment will be the gross profits multiplied by .0035;
(d) Greater than $15,000,000, but not over $25,000,000, the Alternative Minimum Assessment will be the gross profits multiplied by .006;
(e) Greater than $25,000,000, but not over $37,500,000, the Alternative Minimum Assessment will be the gross profits multiplied by .007;
(f) Greater than $37,500,000, the Alternative Minimum Assessment will be the gross profits multiplied by .008.

PART V - Computing the Alternative Minimum Assessment based on Gross Receipts: New Jersey gross receipts are used in Schedule AM, Part V to determine the amount of tax due under the gross receipts method. This method takes New Jersey gross receipts and multiplies them by a certain percentage based on the receipt amount. Enter amount of New Jersey Gross Receipts (from Part I, line 5) on Schedule AM, Part V, line 1. If New Jersey gross receipts are:

(a) Less than or equal to $2,000,000, the Alternative Minimum Assessment based on Gross Receipts will be zero;
(b) Greater than $2,000,000, but not over $20,000,000, the Alternative Minimum Assessment will be .00125 times the gross receipts in excess of $2,000,000, multiplied by the AMA exclusion rate of 1.11111;
(c) Greater than $20,000,000, but not over $30,000,000, the Alternative Minimum Assessment will be the gross receipts multiplied by .00175;
(d) Greater than $30,000,000, but not over $50,000,000, the Alternative Minimum Assessment will be the gross receipts multiplied by .003;
(e) Greater than $50,000,000, but not over $75,000,000, the Alternative Minimum Assessment will be the gross receipts multiplied by .0035;
(f) Greater than $75,000,000, the Alternative Minimum Assessment will be the gross receipts multiplied by .004.

PART VI - For the first privilege period, the taxpayer has the option to select the computation method of the Alternative Minimum Assessment, either based on Gross Profits or Gross Receipts. However, once selected, the method must be employed for that privilege period, and for the next succeeding four privilege periods.

The maximum Alternative Minimum Assessment for an individual corporation for a privilege period will be $5,000,000. Taxpayer will enter the lesser of the elected alternative minimum assessment (from Schedule AM, Part VI, line 4), or $5,000,000, on Schedule AM, Part V, line 5. Taxpayer will enter amount from Schedule AM, Part IV, line 5, on Page 1 of CBT-100, line 14.

The amount of tax due for the privilege period will be the greater of the elected Alternative Minimum Assessment, or the traditional Corporate tax (computed pursuant to Section 5 of P.L. 1945, (C.54:10A-5)).

PART VII - Enter the name of the designated Key Corporation of the affiliated group on line 1 if the group is claiming the AMA threshold limit of $20,000,000. Enter the Federal Identification Number (FID) of the appointed Key Corporation on line 2.

The facilities must have been purchased from an unrelated party during or after the taxpayer’s accounting period beginning on or after July 7, 1993, the effective date of this legislation. It must be employed by the taxpayer in a taxable activity and must not have been in use during the 90 day period prior to purchase. Investments which qualify for the Manufacturing Equipment and Employment Investment Tax Credit cannot also qualify for this credit.

A new employee means a New Jersey resident, hired to fill a regular, permanent position in this State which did not exist prior to the qualified investment, and would not exist but for the qualified investment. The employee must be unrelated to the taxpayer and must not have been employed by the taxpayer during the six months prior to the date the investment was placed in service or use.

The taxpayer cannot claim a credit for a number of new employees that exceeds either the increase in the taxpayer’s average employment for the tax year, or one-half the taxpayer’s average employment for the year. Also, individuals counted in determining the New Jobs Factor must not be ones for whom the taxpayer is allowed an Urban Enterprise Zone or Urban Development Project Employees Tax Credit.

A small or mid-sized business taxpayer must also meet the annual payroll and annual gross receipts requirements for the current tax year to qualify.

To claim this credit, the taxpayer must complete Form 304 and attach it to the tax return. To obtain this form and related information, refer to the index on page 14.

(o) MANUFACTURING EQUIPMENT AND EMPLOYMENT INVESTMENT TAX CREDIT - FORM 305: Investments in qualified manufacturing equipment made in tax years beginning on or after January 1, 1994, may be eligible for the Manufacturing Equipment and Employment Investment Tax Credit. Such investment has the benefit of allowing a tax credit computation for the tax year in which the investment was made as well as each of the following two tax years. The tax credit computation for the first year is based on the cost of the qualified manufacturing equipment placed in service in New Jersey during that tax year. The computations for the two following tax years are based on the average increase in New Jersey residents employed in New Jersey subject to a limitation based on the cost of the investment made in the first year.

The manufacturing equipment portion is limited to 2% (or 4%, if applicable) of the investment credit base of qualified equipment placed in service in the tax year, up to a maximum allowed credit for the tax year of $1,000,000. The employment investment
portion is valid for each of the two tax years next succeeding the tax year for which the manufacturing equipment credit is allowed, but is limited to 3% of the investment credit base, not to exceed a maximum allowable amount for each of the two tax years of $1,000 multiplied by the increase in the average number of qualified employees.

To claim this credit, the taxpayer must complete Form 305 and attach it to the tax return. To obtain this form and related information, refer to the index on page 14.

(p) RESEARCH AND DEVELOPMENT TAX CREDIT - FORM 306: A taxpayer that has performed qualified research activities in New Jersey may be eligible to claim the Research and Development Tax Credit. A credit for increased research activities is allowed based on qualified expenditures made in taxable years beginning on and after January 1, 1994. It provides a credit of 10% of the excess qualified research expenses over a base amount plus 10% of the basic research payments.

Qualified research is limited to scientific experimentation or engineering activities designed to aid in the development of a new or improved product, process, technique, formula, invention, or computer software programs held for sale, lease, or license, or used by the taxpayer in a trade or business. For in-house research expenses (see Section 41(b)(2) of the Internal Revenue Code), this trade or business requirement will be met if the taxpayer’s principal purpose for conducting the research is to use the results of the research in the active conduct of a future trade or business (see Section 41(b)(4) of the Internal Revenue Code).

To claim this credit, the taxpayer must complete Form 306 and attach it to the tax return. To obtain this form and related information, refer to the index on page 14.

(q) RECYCLING EQUIPMENT TAX CREDIT - FORM 303: A taxpayer that purchased qualified recycling equipment on or after October 1, 1987 and received a certification for this equipment from the Commissioner of the Department of Environmental Protection may be eligible to claim the Recycling Equipment Tax Credit. The recycling equipment must have been used exclusively within New Jersey, except for vehicles which must have been used primarily within New Jersey.

The legislation governing this tax credit expired on December 31, 1996, however, any unused credits claimed prior to January 1, 1997, can be taken on the current tax return subject to the limitations set forth on Form 303.

To claim this credit, the taxpayer must complete Form 303 and attach it to the tax return. To obtain this form and related information, refer to the index on page 14.

(r) REDEVELOPMENT AUTHORITY PROJECT TAX CREDIT - FORM 302: Any taxpayer that is actively engaged in the conduct of business at a location within a project as defined in N.J.S.A. 55:19-1 et seq., and whose business at that location consists primarily of manufacturing or other business that is not retail sales or warehousing oriented, may be entitled to claim the Redevelopment Authority Project Tax Credit. This credit is allowed in the tax year next following the tax year of qualification. To claim the credit, the taxpayer must complete Form 302 and attach it to the tax return. To obtain this form and related information, refer to the index on page 14.

Inquiries regarding the projects should be directed to the New Jersey Redevelopment Authority, PO Box 790, Trenton, New Jersey 08625-0790, phone (609) 292-3739.

(s) URBAN ENTERPRISE ZONE TAX CREDITS: A taxpayer that has been designated as a “qualified business” as defined in the New Jersey Urban Enterprise Zones Act, N.J.S.A. 52:27H-60 et seq., may qualify for either an employee tax credit or an investment tax credit. To be eligible, the taxpayer must have been certified as a qualified business by the Urban Enterprise Zones Authority. Certification is renewable annually. The urban enterprise zones are located in Asbury Park, Bayonne City, Bridgeton, Camden, Carteret, East Orange, Elizabeth, Gloucester City, Guttenberg, Hillside, Irvington, Jersey City, Kearny, Lakewood, Long Branch, Millville, Mount Holly, New Brunswick, Newark, North Bergen, Orange, Passaic, Paterson, Pemberton Township, Perth Amboy, Phillipsburg, Plainfield, Pleasantville, Roselle Borough, Trenton, Union City, Vineland, West New York, and the Joint Wildwoods. Further information can be obtained from the New Jersey Urban Enterprise Zones Authority, New Jersey Commerce and Economic Growth Commission, PO Box 820, Trenton, New Jersey 08625-0820, phone (609) 292-1912.

The forms required to validate the employee tax credit (Form 300) and the investment tax credit (Form 301) can be obtained by following the instructions on page 14. Specific information on these tax credits can be obtained from the Regulatory Services Branch, PO Box 269, Trenton, NJ 08695-0269, phone (609) 292-5994.

(1) Employees Tax Credit - Form 300: This credit is available to a taxpayer that was certified as a qualified business in the preceding tax year as well as the current tax year. Qualifying employees must have been hired after certification and must have worked six consecutive months in the tax year following the tax year in which employment began. To claim the credit, a completed Form 300 must be attached to the tax return.

(2) Investment Tax Credit - Form 301: A qualified business which is not entitled to an employee tax credit may be entitled to the investment tax credit. This credit is only available to an employer with less than 50 employees. The investment must be at least $5,000 if there are 10 or fewer employees, and increases by $500 for each additional employee. To qualify for the credit, the investment must be approved by the Urban Enterprise Zones Authority. A completed Form 301 must be attached to the tax return to validate the investment tax credit claim.

(t) OTHER TAX CREDITS: Line 19 on Schedule A-3 provides for any valid tax credit(s) allowable in accordance with the New Jersey Corporation Business Tax Act that were not enacted at the time that this packet was printed. Any tax credit(s) claimed on this line must be documented with a valid New Jersey Corporation Business Tax Credit Form, which is required to be submitted with the tax return.

44. INSTALLMENT PAYMENTS: Taxpayers are required to make installment payments of estimated tax. The requirement for making these payments is based on the amount of the total tax liability shown on the most recent return.

(a) If the 2015 Total Tax Liability is greater than $500, the taxpayer must make installment payments towards 2016. These payments are to be made on form CBT-150 and are due on or before the 15th day of the 4th, 6th, 9th and 12th months of the tax year. Taxpayers with gross receipts greater than or equal to $50,000,000 must make installment payments on the 15th day of the 4th, 6th, and 12th months of the tax year. Details for making these payments can be found in the CBT-150 instructions. Refer to the index on page 14.

(b) If the 2015 Total Tax Liability is $500, installment payments may be made as indicated in (a) above OR in lieu of making installment payments, the taxpayer may make a payment of 50% of the 2015 total tax liability. For taxpayers who qualify and wish to take advantage of this option, enter on line 16, 50% of the amount on line 13. This will become part of the payment to be made with the 2015 return and installment payments will not be required. This payment should be claimed as a credit when filing the 2016 return.

45. PAYMENTS AND CREDITS: Credit for the total amount of the payments and credits listed below should be taken on page 1, line 19:

(a) Include installment tax payments made with form CBT-150 as well as any payment made on line 19 of the 2014 CBT-100 or line 10 of the 2014 CBT-100S.

(b) Include the payment, if any, that was remitted with the tentative return, form CBT-200-T.

(c) Include any overpayment from the preceding tax return which the taxpayer elected to have credited to the current year’s tax. Do not
include any amount of the overpayment which the taxpayer elect-
ed to have refunded.

(d) Include any payments remitted electronically through the
Electronic Funds Transfer Program.

(e) Line 19(a) - Include the total payments made by partnerships on
behalf of the taxpayer that are reported in Column 7 on Schedule
P-1. Submit copies of the K-1’s reflecting payments made by
each partnership entity.

(f) Line 19(b) - Include the amount of credit(s) calculated on the
applicable credit form(s) that is statutorily refundable.

to offset any current year tax liability and are NOT eligible for refund.

46. DELINQUENT FILING AND/OR TAX PAYMENT- COMPUTATION
OF PENALTY AND INTEREST:

Late Filing Penalty - 5% per month or fraction thereof on the amount
of underpayment not to exceed 25% of that underpayment, except if

month the return is delinquent may be imposed.

inant prime rate. Interest is imposed each month or fraction thereof
on the unpaid balance of tax from the original due date to the date of
payment. At the end of each calendar year, any tax, penalties and
interest remaining due will become part of the balance on which inter-
est will be charged. The interest rates assessed by the Division of
Taxation are published in the quarterly issues of the New Jersey State
Tax News. See “Tax Forms and Information” on page 14 for informa-
tion on obtaining copies of the newsletter.

NOTE: The average predominant prime rate is the rate as deter-
mined by the Board of Governors of the Federal Reserve System,

shall be added to the tax an amount equal to 50% of the assessment

UNDERPAYMENT OF ESTIMATED TAX - Taxpayers must use either
Form CBT-160-A or CBT-160-B to determine whether an underpay-
ment exists in any of the installment payment periods and if the cor-
poration is subject to an interest charge on such underpayment, the
amount of interest. If the taxpayer qualifies for any of the exceptions
to the imposition of interest for any of the installment payments, Part
II must be completed and should be filed with the taxpayer’s return,
form CBT-100, as evidence of such exception. The CBT-160 must be
attached to the return and any interest due included on line 21, Page
1 of the form CBT-100.

47. REFERRAL COST RECOVERY FEE: In accordance with N.J.S.A.
54:49-12.3, a Referral Cost Recovery Fee of 10% of any tax, penalty

Fee will be assessed prior to the filing of a Certificate of Debt.
