

FILING INFORMATION

- ◆ Your filing status and gross income determine whether you have to file a tax return.
- ◆ Age is not a factor in determining whether a person must file. Even minors (including students) and senior citizens must file if they meet the income filing requirements.
- ◆ *Gross income* means taxable income after exclusions but before personal exemptions are subtracted. It does not include nontaxable benefits. See page 16 to find out which types of income are not taxable.
- ◆ Members of the Armed Forces see page 9 for additional information.

Use the following chart to determine whether you must file a tax return. This chart is a guide only and may not cover every situation. If you need assistance, call the New Jersey Tax Hotline (609-588-2200).

Who Must File

* A home (whether inside or outside of New Jersey) is not permanent if it is maintained only during a temporary or limited period for the accomplishment of a particular purpose. Likewise, a home used only for vacations is not a permanent home.

Also File a Return if:

- ◆ You had New Jersey income tax withheld from your wages and are due a refund.
- ◆ You paid New Jersey estimated taxes for 1998 and are due a refund.

Other Filing Information

Domicile. A domicile is any place you regard as your permanent home—the place to which you intend to return after a period of absence (as on vacation abroad, business assignment, educational leave, etc.). A person has only one domicile, although he or she may have more than one place to live. Once established, your domicile continues until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.

A place of abode, whether inside or outside of New Jersey is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile, you will be considered a resident for New Jersey tax purposes *unless* you meet all three conditions for nonresident status (see “Who Must File” on page 7). Likewise, if New Jersey is not your domicile, you will only be considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

Guidelines for Part-year Residents

Filing Requirements. Any person who became a resident of this State or moved out of this State during the year is subject to New Jersey income tax for that portion of the income received while a resident of New Jersey. **Part-year residents must prorate all exemptions, deductions and credits, as well as the pension and other retirement income exclusions, to reflect the period covered by the return.** A person who receives income from a New Jersey source while a nonresident must file a New Jersey nonresident return.

If you were a New Jersey resident for only part of the taxable year, you are subject to the tax if your income for the entire year exceeds \$7,500, even though the income reported for your period of residence was \$7,500 or less (\$3,750 if filing status is married, filing separate return). If the income received during the entire year was \$7,500 or less, you must enclose

AVOIDING COMMON MISTAKES

Check the following items to avoid delays in processing returns and refunds.

- ✓ **Use the correct form.** Form NJ-1040 should be used by part-year residents as well as full year residents. Use only a 1998 return for the 1998 tax year.
- ✓ **Read the instruction booklet** before completing the return.
- ✓ **File only original forms.** The State is unable to scan photocopies of tax returns.
- ✓ **Use only blue or black ink** when completing forms.
- ✓ **Enter all numbers within the red boxes.** Do not use dollar signs or dashes.
- ✓ **You may not report a loss on Form NJ-1040.** Make no entry on lines where the amount to be reported is zero or less, *except* for Line 40, Use Tax Due. If no use tax is owed, enter “0.00” on Line 40.
- ✓ **Make no entry on unused lines.**
- ✓ **Check name, address, social security number and county/municipality code** for accuracy when using the label or writing information on the return.
- ✓ **Enter last name first** when writing information on the tax return. This requirement differs from the Federal return.
- ✓ **Fill in only one oval** for your filing status.
- ✓ **Use “State wages” figure(s)** from your W-2(s), not Federal wages figure(s).
- ✓ **Locate the correct column** for your filing status in the Tax Table when calculating your New Jersey tax liability on Line 37.
- ✓ **Request a refund** by completing Line 58.
- ✓ **Check arithmetic.**
- ✓ **Sign and date your return.** Both spouses must sign a joint return.
- ✓ **Changes or mistakes** to your original return may be corrected by filing an amended return. See page 12.

a copy of your Federal income tax return or a statement to that effect if you did not file a Federal return.

NOTE: If you derived any income from New Jersey sources during your period of nonresidence, it may also be necessary to file a New Jersey nonresident return. Any withholdings should be allocated between the resident and nonresident returns. For more information, see Form NJ-1040NR, New Jersey nonresident return and instructions.

Line 14 - Wages. You must determine from each W-2 you receive the portion of your “State wages, tips, etc.” that you earned while you were a New Jersey resident. If your W-2 indicates only wages earned while you were a New Jersey resident, use the amount from the “State wages, tips, etc.” box. If your employer did not separate your resident and nonresident wages on the W-2, you must prorate the “State wages, tips, etc.” amount for the period of time you lived in New Jersey. Add the amounts reportable

to New Jersey and place the total on Line 14.

Do not include any W-2(s) where the total W-2 income was derived from out-of-State sources during your period of nonresidence.

Other Income. For interest, dividends, pensions and other income, include on your return only those amounts received while a resident of New Jersey. Partners and shareholders should request Tax Topic Bulletin GIT-9, *Income from Partnerships and S Corporations*, for instructions on reporting distributive share of partnership income and net pro rata share of S corporation income.

Line 19b - Pension Exclusion. If you qualify for the pension exclusion, prorate the exclusion by the number of months you were a New Jersey resident. For this calculation 15 days or more is a month.

Part-year Residents - continued

Line 28 - Other Retirement Income Exclusion. Do not complete Worksheet D for the Other Retirement Income Exclusion (on page 24). Instead, you must take into account the amount of wages, net profits from business, partnership income and S corporation income you received for the entire year and the amount of prorated earned income from the period of residence to determine whether or not you qualify for the exclusion.

Line 30c - Exemptions. Your total exemptions (Line 30c) must be prorated based upon the number of months you were a New Jersey resident. For this calculation 15 days or more is a month.

$$\text{Lines 30a\&b} \times \frac{\text{Mos. NJ Resident}}{12} = \text{Line 30c}$$

Lines 31 and 32 - Deductions. You may deduct medical expenses, qualified medical savings account contributions and alimony based on the actual expenses paid for the period of time you lived in New Jersey. Use the worksheet on page 25 to determine the medical expense deduction.

Line 35 - Property Tax Deduction. You may also be eligible to claim a deduction for property taxes you paid, or rent constituting property taxes (18% of rent due and paid) during your period of residency. Prorate the minimum tax benefit of \$50 based on the number of months you occupied your New Jersey residence. For this calculation 15 days or more is a month. Use this prorated figure instead of the \$50 figure on Line 7, Schedule 1 or Line 4, Worksheet F.

Line 43 - Property Tax Credit. You must prorate the amount of any property tax credit on Line 43 based on the number of months you occupied your qualified New Jersey residence. For this calculation 15 days or more is a month.

For more information, request Tax Topic Bulletin GIT-6, *Part-year Residents*.

Guidelines for Military Personnel

Residents. A member of the Armed Forces whose home of record (domicile) is New Jersey when entering the service remains a resident of New Jersey for income tax purposes, and must file a resident return even if assigned to duty in another state or country, unless he or she

TAXPAYERS' BILL OF RIGHTS
<p>The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers—individuals and businesses alike—are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:</p> <p>Service—</p> <ul style="list-style-type: none"> ◆ Division must respond to taxpayers' questions within a reasonable time period. ◆ Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures. <p>Appeals—</p> <ul style="list-style-type: none"> ◆ Time to appeal to the Tax Court is generally 90 days. <p>Interest on Refunds—</p> <ul style="list-style-type: none"> ◆ Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund. ◆ You may request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward. <p>For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, call the Division's automated information and assistance service. (See page 2.)</p>

qualifies for nonresident status (see chart on page 7). If you are a New Jersey resident, you are subject to tax on all your income, including your military pay, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. Mustering-out payments, subsistence and housing allowances are exempt.

New for '98 Certain military pensions are now exempt from New Jersey gross income tax. See *Pensions, Annuities, IRA Withdrawals and Exclusion* on page

19.

A member of the Armed Forces whose home of record is New Jersey and who is stationed outside the State (whether living in barracks, billets, apartment or house) and does not intend to remain outside New Jersey, continues to be a resident and must file a resident return and report all taxable income. However, if a serviceperson pays for and maintains facilities such as an apartment or a home outside of New Jersey, either by out-of-pocket payments or forfeiture of quarters allowance, such facilities will constitute a *permanent* home outside of New Jersey. In this case, the serviceperson is not considered a New Jersey resident for tax purposes.

Nonresidents. A member of the Armed Forces whose home of record (domicile) is outside of New Jersey does not become a New Jersey resident when assigned to duty in this State. A nonresident serviceperson's military pay is not subject to New Jersey income tax and he or she is not required to file a New Jersey return unless he or she has earned income from New Jersey sources other than military pay. Mustering-out payments, subsistence and housing allowances are also exempt. A nonresident serviceperson who has income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey or income from a business, trade or profession carried on in this State must file a New Jersey nonresident return, Form NJ-1040NR.

If your permanent home (domicile) was New Jersey when you entered the military, but you have changed your state of domicile or you satisfy the conditions for nonresident status (see chart on page 7), then your military pay is not subject to New Jersey income tax. Contact the finance officer at your station for Form DD-2058-1 to stop future withholding of New Jersey income tax. If New Jersey income tax was erroneously withheld from your military pay, you must file a nonresident return (Form NJ-1040NR) to obtain a refund of the tax withheld. For

more information, see the nonresident return instructions.

Spouses of Military Personnel. Spouses (of military personnel) who were not domiciled in New Jersey when they married the military spouse are not considered residents of New Jersey if:

- ♦ The principal reason for moving to this State was the transfer of the military spouse; and
- ♦ It is their intention to leave New Jersey when the military spouse is transferred or leaves the service.

New Jersey law requires that a couple's filing status for New Jersey gross income tax purposes be the same as for Federal income tax purposes. A married couple filing a joint Federal return must file a joint return in New Jersey. The only exception to this rule is when one spouse is a New Jersey resident and the other is a nonresident for the entire year. In this case, the resident may file a separate return and use the married filing separate tax rates, unless both spouses agree to file jointly as residents. If a joint resident return is filed, their joint income will be taxed as if both spouses were residents.

For more information, request Tax Topic Bulletin GIT-7, *Military Personnel*.

Extensions. A person on active duty with the Armed Forces of the United States who may not be able to file timely because of distance, injury or hospitalization as a result of this service, will automatically receive a three-month extension by enclosing an explanation with the return when filed.

TAX TIP  New Jersey allows an extension to file an income tax return for members of the Armed Forces serving in an area which has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by Federal statute. Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside of the State of New Jersey as a result of

injuries you received while serving in a combat zone or qualified hazardous duty area you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later. Enclose a statement of explanation with your return when you file.

No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension is also granted to a taxpayer's spouse who files a joint return.

TAX TIP**Death Related to Duty.**

When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease or injury received there, no income tax is due for the taxable year the death occurred, nor for any earlier years served in the zone or area.

When to File

Generally, your New Jersey income tax return is due when your Federal income tax return is due. For calendar year filers, the 1998 New Jersey income tax return is due by April 15, 1999. Fiscal year filers must file their New Jersey income tax return by the 15th day of the fourth month following the close of the fiscal year.

Postmark Date. All New Jersey income tax returns postmarked on or before the due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return. Interest on unpaid liabilities is assessed from the due date of the return.

Extensions

Extensions of time are granted only to file your New Jersey Resident Income Tax Return. There are no extensions of time to pay tax due. **Penalties and interest are imposed whenever tax is paid after the original due date.**

Four-Month Extension

You may receive a four-month extension of time to file your New Jersey Resident Income Tax return if at least 80% of the tax liability computed on your Form

NJ-1040 when filed is paid in the form of withholdings, estimated or other payments by the original due date, **and**

1. **Federal extension filed.** A copy of your Federal Application for Automatic Extension is enclosed with your final return and the oval at the top of the NJ-1040 is filled in; **or**
2. **No Federal extension filed.** You file a request for a four-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return.

Form NJ-630 must also be filed by the original due date if you are required to make a payment to satisfy the 80% requirement.

Extensions Beyond Four Months

If you have requested and been granted a four-month extension, you may apply for an additional two-month extension before the original four-month extension expires. You must file Form NJ-630 if you require an extension of more than four months for New Jersey purposes and you are not requesting an additional two-month extension for Federal purposes. Otherwise, enclose a copy of your Federal application for an additional two-month extension with your NJ-1040 when filed. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if your request is denied.

If you fail to satisfy the requirements outlined for extensions, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalty and Interest Charges" on page 12.

How to Pay

The balance of tax due must be paid in full when your return is filed. If you owe less than \$1, no payment is required. You will find a payment voucher (Form

How to Pay - continued

NJ-1040-V) at the front of this booklet. If you owe tax with your 1998 return, enter the amount of tax due in the boxes on the payment voucher. Do not make changes to any information preprinted on the payment voucher. All necessary changes should be made on the NJ-1040 (and/or HR-1040). For information about mailing forms, see "Where to Send Your Return" below.

- ◆ Make check or money order payable to: **State of New Jersey – TGI**
- ◆ Write your social security number on the check or money order. Use social security numbers of both husband and wife for a joint return.
- ◆ If you are paying a balance due for the 1998 tax year and are making the first installment of estimated tax for 1999, please use separate checks or money orders for each payment. Send your 1999 estimated tax payment with an NJ-1040-ES voucher to the address on that payment voucher.

Time Limit for Assessing Additional Taxes. The Division of Taxation has three years from the date you filed your income tax return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your tax return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

- ◆ You amended or the IRS adjusted your Federal taxable income;
- ◆ You amended your New Jersey taxable income;
- ◆ You entered into a written agreement with the Division extending the time to make an assessment;
- ◆ You omit more than 25% of your gross income on your New Jersey income tax return; or
- ◆ An erroneous refund is made as a result of fraud or misrepresentation by the taxpayer.

Where to Send Your Return

Your packet contains a small window envelope and a large envelope. Use the small window envelope to mail your check or money order with your payment voucher. Make sure the mailing address printed on

the payment voucher shows through the window in the small envelope. **Do not staple, paper clip or tape your check or money order to the voucher. Do not** mail your NJ-1040 or HR-1040 in the small window envelope.

2. Choose the correct label for your return.

Refunds

A return must be filed to claim a refund for overpayment of tax. If the refund is \$1 or less, you must enclose a statement specifically requesting it.

Time Period for Refunds. You have three years from the date the return was filed or two years from the time tax was paid, whichever was later, to claim a re-

fund. If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim will also be extended.

Interest Paid on Refunds. If the Division takes more than six months to send you your income tax refund, you have a right to receive interest on that refund. Interest at the prime rate, compounded annually, will be paid from the *later* of:

- ◆ the date the refund claim was filed;
- ◆ the date the tax was paid; or
- ◆ the due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability.

New Jersey law requires that any money owed to the State of New Jersey, any of its agencies or the Internal Revenue Service be deducted from your refund or credit before it is issued. Homestead Property Tax Rebates may also be affected. These debts include among other things money owed for past due taxes, child support due under a court order, school loans, hospital bills and IRS levies. If the Division applies your refund, credit or rebate to any of these debts, you will be notified through the mail.

Deceased Taxpayers

If a person received income in 1998 but died before filing a return, the New Jersey income tax return should be filed by the surviving spouse, executor or administrator. Use the same filing status that was used on the final Federal income tax return. Print "Deceased" and the date of the death above the decedent's name. **Do not** prorate exemptions or deductions unless the decedent was a part-year resident. The due date for filing is the same as for Federal purposes. In the area where you sign the return write "Filing as Surviving Spouse," if appropriate. A personal representative filing the return must sign in his or her official capacity. Any refund check will be issued to the decedent's surviving spouse or estate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income or gain is included on Line 25, as "Other" income.

Estates and Trusts

Filing Requirements for Estates and Trusts. The fiduciary of an estate or trust may be required to file a New Jersey Gross Income Tax return for that estate or trust. The return for an estate or trust must be filed on a New Jersey fiduciary return, Form NJ-1041. The fiduciary must also provide each beneficiary with a copy of the Federal Schedule K-1 which shows the beneficiary's share of the estate or trust income.

Filing Requirements for Beneficiaries. You must report the items of income or gain you receive as a beneficiary of an estate or trust on Line 25, "Other" income. Interest, dividends, capital gains, business or partnership income, etc. as listed on the Federal K-1 form(s) you received must be adjusted to reflect New Jersey tax rules and then netted together before inclusion on the "Other" income line. Enclose a copy of the Federal K-1(s) with your return.

Partnerships

A partnership is not subject to tax. Individual partners are subject to tax on the income they earned from the partnership under the Federal Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 22 for information on reporting income from a partnership. Every partnership having a New Jersey resident partner or income from New Jersey sources must file New Jersey Form NJ-1065 with the New Jersey Division of Taxation by the 15th day of the fourth month following the close of the partnership's taxable year. For more information on partnership filing, request Form NJ-1065 and instructions.

Estimated Tax

Estimated tax means the amount which you estimate to be your income tax for the taxable year after subtracting pay-

ments, withholdings and other credits. For the 1998 tax year, you were required to make quarterly estimated tax payments using Form NJ-1040-ES when your estimated tax exceeded \$100.

New for '98

For the 1999 tax year, you are required to make estimated tax payments using Form NJ-1040-ES when your estimated tax exceeds \$400.

Instructions for computing the estimated tax and making the payments are included with the form. Review the amount of your New Jersey gross income tax on your expected gross income (after deductions and credits) to determine if you need to make estimated tax payments for 1999.

TAX TIP

To avoid having to make estimated tax payments, you may ask your employer to withhold an additional amount from your wages by completing Form NJ-W4. Failure to file a Declaration of Estimated Tax or pay all or part of an underpayment *will result in interest charges* on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated tax payments as described above, you should request Form NJ-2210, Underpayment of Estimated Tax by Individuals, and instructions. Complete Form NJ-2210 to determine if interest is due and if so, calculate the amount. If you complete and enclose Form NJ-2210 with your return, fill in the oval below Line 44. For more information on estimated tax, request Tax Topic Bulletin GIT-8, *Estimating Income Taxes*.

Amended Returns

If you received an additional tax statement (W-2 or 1099) after your return was filed, or you discovered that you made any error or omission on your return, file an amended New Jersey resident return, Form NJ-1040X.

Changes in your Federal Income Tax.

If you receive a notice from the Internal Revenue Service that they changed your reported income, and that change altered your New Jersey taxable income, you must notify the Division of the change in writing within 90 days. File an amended

tax return and enclose a check or money order for any additional tax due.

If you file an amended Federal return which changes your New Jersey taxable income, you must file an amended New Jersey resident return, Form NJ-1040X, within 90 days.

Accounting Method

Use the same accounting method for New Jersey Gross Income Tax that you used for Federal income tax purposes.

Rounding Off to Whole Dollars

When completing your return and the accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include cents when adding the items and round off only the total. When entering the rounded total on the line, you may eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros after the decimal point for cents.

Penalty and Interest Charges

Penalty and interest should be included with the payment of any tax due.

Late Filing Penalty. 5% per month (or fraction of a month) up to a maximum of 25% of the outstanding tax liability when a return is filed after the due date or extended due date. Also, a penalty of \$100 for each month the return is late may be imposed.

Late Payment Penalty. 5% of the outstanding tax balance may be imposed.

Interest: 3% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Signatures

Sign and date your return in blue or black ink. Both husband and wife must sign a joint return. If you are filing a Homestead

Signatures - continued

Property Tax Rebate Application (Form HR-1040) with your tax return, it is not necessary to sign the rebate application. However, if you are filing only Form HR-1040, the application must be signed and dated in ink. The signature(s) on the form you file must be original; photo-copied signatures are not acceptable. A return without the proper signatures cannot be processed and will be returned to you. This causes unnecessary processing delays and may result in penalties for late filing or a delay or denial of your home- stead rebate.

Don't Need Forms Mailed to You Next Year? Taxpayers who pay someone else to prepare their returns probably do not use the income tax return booklets mailed to them each year. If you do **not** need a booklet mailed to you next year, fill in the oval below the signature line. Telling us that you do not need a booklet next year will help us reduce printing and mailing costs.

New for '98

Preparer Authorization. Because of the strict provisions of confidentiality, Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed

your return as your "Paid Tax Preparer," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Paid Tax Preparer," fill in the oval above the preparer's signature line.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her social security number. Include the company or corporation name and Federal Identification Number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a \$25 penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, deductions and credits until the statute of limitations has expired for each return. Generally this is three years after the filing date or two years from the date the tax was paid, whichever is later.

Privacy Act Notification

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Your social security number is used primarily to account for and give credit for tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible. In addition, the Division of Taxation is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses and social security numbers of individuals who file a New Jersey resident tax return or home- stead rebate application. This list will be used to avoid duplication of names on jury lists.

Federal/State Tax Agreement

The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange income tax information in order to verify the accuracy and consistency of information reported on Federal and New Jersey income tax returns.

Fraudulent Return

Any person who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to \$7,500 or imprisonment for a term between three and five years or both.

1998 Form NJ-1040 Line by Line Instructions

Name and Address

Place the peel-off label at the front of this booklet in the name and address section at the top of the return. Correct the label where errors occur. If you have no label, print or type your name (last name first), complete address and zip code in the spaces provided. Also include your spouse's name if filing jointly. Your re- fund and next year's form will be sent to the address you provide.

If your address has changed, fill in the oval at the top of the NJ-1040.

If your legal residence and the address on the return differ, enclose a statement of explanation to avoid a delay in processing.

Social Security Number

Be sure to check the accuracy of the social security number(s) printed on the label. To correct an error, draw a line through the incorrect number and write the correct number above it.

If you do not have a label, enter your social security number(s) in the space provided on the return, one digit in each box. If your filing status is married, filing joint return, remember to report both spouses' numbers in the order in which the names are listed on the return.

County/Municipality Code

Check the county/municipality code on your label (see example below). Make corrections to the code on the label. If

you do not have a label, enter your four- digit code, one digit in each box, from the table on page 41. Filing Status (Lines 1 - 5)

Generally, you must use the same filing status on your New Jersey return as you do for Federal income tax purposes. Indicate the appropriate filing status. Fill in only **one** oval.

If spouses file a joint Federal income tax return, they must also file a joint New Jersey income tax return. If spouses file separate Federal returns, separate State returns must also be filed. If your filing status is married, filing separate return, be sure to enter the social security number of your spouse in the boxes provided at the top of the tax return.

If you meet the requirements to file as head of household for Federal income tax purposes, you may file as head of household for New Jersey. Certain married individuals living apart may file as head of household for New Jersey if they meet the requirements to file as head of household for Federal purposes.

If during the entire taxable year one spouse was a resident and the other a nonresident, the resident spouse may file a separate New Jersey return. The resident spouse computes income and exemptions as if a Federal married filing separate return had been filed. You have the option of filing a joint return, but remember, joint income would be taxed as if both spouses were residents.

For more information on filing status, order Tax Topic Bulletin GIT-4, *Filing Status*.

Exemptions - Personal (Lines 6 - 8)

The exemptions claimed on Lines 6, 7 and 8 apply only to you and your spouse. The exemptions for age and disability are not available for dependents. If your filing status is married, filing separate return, you generally do not fill in the spouse oval on Lines 6, 7 or 8.

Line 6 - Regular Exemptions

As a taxpayer you may claim a personal exemption for yourself, even if you are a minor who is claimed as a dependent on your parents' return. For your convenience, "Yourself" is already filled in. If you are filing a joint return, fill in the

spouse oval as well. Add the number of ovals filled in and enter the result in the red box on Line 6.

Line 7 - Age 65 or Older

If either you or your spouse were 65 years of age or older at the end of the tax year, you (and your spouse if qualified) are entitled to an additional exemption. Fill in the appropriate oval(s). Add the number of ovals filled in and enter the result in the red box on Line 7.

Line 8 - Blind or Disabled

If either you or your spouse were blind or disabled at the end of the tax year, you (and your spouse if qualified) are entitled to an additional exemption. "Disabled" means total and permanent inability to engage in any substantial gainful activity because of any physical or mental impairment, including blindness. Enclose a copy of the doctor's certificate or other medical records with your return the first time you claim the exemption. This information need not be submitted each year providing there is no change in your condition. Fill in the appropriate oval(s). Add the number of ovals filled in and enter the result in the red box on Line 8.

Exemptions - Dependency (Lines 9 - 11)

The exemptions claimed on Lines 9, 10 and 11 apply only to dependents. The exemption for dependents attending colleges is not available to you, the taxpayer, or your spouse.

Line 9 - Dependent Children

You may claim an exemption for each dependent child who qualifies as your dependent for Federal income tax purposes. Enter the number of your dependent children in the red box on Line 9.

Line 10 - Other Dependents

You may claim an exemption for each other dependent who qualifies as your dependent for Federal income tax purposes. Enter the number of your other dependents in the red box on Line 10.

Line 11 - Dependents Attending Colleges

You may claim an additional exemption for each dependent under age 22 who is a full-time student at an accredited college or postsecondary institution for whom you paid one-half or more of the tuition and maintenance costs. Financial aid received by the student is not calculated into your cost when totaling one-half of your dependent's tuition and maintenance. However, the money earned by students in College Work Study Programs is income and is taken into account. Remember, to claim this additional exemption, each dependent must have already been claimed on Lines 9 or 10.

Requirements

- ◆ Student must be **under 22 years of age** for the entire tax year.
- ◆ Student must attend full-time. "Full-time" is determined by the institution.
- ◆ Student must spend at least some part of each of five calendar months of the tax year at school.
- ◆ The educational institution must maintain a regular faculty and curriculum and have a body of students in attendance.

Enter the number of exemptions for your qualified dependents attending colleges in the red box on Line 11.

Line 12 - Totals

Add Lines 6, 7, 8 and 11 and enter the total in the red box on Line 12a. Add Lines 9 and 10 and enter that total in the red box on Line 12b.

Residency Status (Line 13)

If you were a New Jersey resident for only part of the taxable year, list the month, day and year your residency began and the month, day and year it ended. All months should be listed as two digit numbers with the digits 01 for January, 02 for February, 03 for March, etc. Place the correct number for the beginning and ending months directly in the boxes containing the red letter "M," one digit in each box.

Residency Status - continued

The days of the months should be listed as two digit numbers beginning with the digits 01 for the first day of the month and ending with the digits 31 for the last day of the month. Place the correct number for the beginning and ending dates directly in the boxes containing the red letter "D," one digit in each box.

For calendar year filers the year should be entered as 98 and the numbers placed directly in the boxes containing the red letter "Y," one digit in each box. Fiscal year filers should enter the appropriate year in the "Y" boxes.

Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 51 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of

limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersey Election Law Enforcement Commission at 609-292-8700 or write to:

NJ ELECTION LAW ENFORCEMENT COMMISSION
PO BOX 185
TRENTON NJ 08625-0185

Participation in the \$1 income tax check-off protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate \$1 to go to help candidates for governor pay campaign expenses, fill in the "Yes" oval in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse may also designate \$1 to this fund. **Filling in the "Yes" oval will not in any way increase your**

tax liability or reduce your refund.

Income (Lines 14 - 25)

Gross income means all income you received in the form of money, goods, property and services unless specifically exempt by law. As a New Jersey resident you must report all taxable income you receive, whether from New Jersey or not, on your return.

Important! A net loss in any category of income cannot be reported as such on Form NJ-1040. A loss within one category of income may be applied against other income within the same category. However, a net loss in one category of income cannot be applied against income or gains in another. In the case of a net loss in any category, make no entry on the corresponding line. No carryback or carryover of losses is permitted under New Jersey law.

Line 14 - Wages, Salaries, Tips, etc.

Enter the total amount you received during the taxable year from wages, salaries, tips, fees, commissions, bonuses and other payments received for services performed as an employee. Include all payments you received whether in cash or property.

Enter the total of State wages, salaries, tips, etc. from **all** employment both inside and outside New Jersey. **Be sure to take the figure(s) from the "State wages" box on your W-2(s).** See sample W-2 on page 17. All W-2(s) must be enclosed with your tax return. **Do not** staple W-2(s) to your return. If you have also paid taxes to another jurisdiction on the wages entered on this line, see page 31 for more information.

Pension and annuity income or early retirement benefits should not be included on this line but should be reported on Line 19a.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in the State wages figure on the W-2 in the

year the wages are earned. This may cause your State wages figure to be higher than your Federal wages figure.

Meals and/or Lodging. You may exclude from the amount reported on Line 14 meals and/or lodging reported as wages on your W-2 provided that:

1. The meals and/or lodging were furnished on the business premises of your employer; and
2. The meals and/or lodging were furnished for the convenience of your employer; and

For lodging only:

3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/or lodging from your wages, you **must** enclose a signed statement explaining how you have met these conditions. If the statement is not enclosed, your wages will be adjusted to represent the full amount shown on your W-2.

Food and maintenance payments made to New Jersey State Police officers as part

of their union contract **cannot** be excluded from gross income. These payments do not meet the criteria above.

Employee Business Expenses. Employee business expenses are **not** deductible for New Jersey Gross Income Tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for employee business expenses reported as wages on your W-2 provided that:

1. The expenses for which you are reimbursed are job related expenses;
2. You are required to and do account for these expenses to your employer; and
3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you receive excludable reimbursements for employee business expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a photocopy of your Federal Form 2106.

Commuter Transportation Benefits.

Certain amounts you receive from your employer up to \$1,105 for using an alternative means of commuting (such as public transportation, carpools, vanpools, etc.) may be excluded from your New Jersey gross income. Commuter transportation benefits may not be excluded from gross income unless your employer provides those benefits *in addition to* your regular compensation.

If the commuter transportation benefits you received exceed the maximum excludable amount, the excess amount is taxable and is included in your gross income. Your W-2 form will show both the taxable and nontaxable benefit amounts. The taxable benefits are included in the "State wages" figure on your W-2, while the nontaxable benefits are not.

An employee who receives money towards commuter transportation benefits must provide his/her employer with suitable proof (receipts, ticket stubs, etc.) to show that the employer-provided money

was used for an alternative means of commuting.

Federal Statutory Employees. If you are considered a "statutory employee" for Federal income tax purposes, you may not deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The Federal label of "statutory employee" has no meaning for New Jersey Gross Income Tax purposes. Business expenses may only be deducted from the business income of a self-employed individual. See the instructions for Line 17 (Net Profits from Business).

Moving Expenses. Moving expenses are **not** deductible for New Jersey Gross Income Tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for the following moving expenses if the Federal requirements to claim moving expenses

were met and the expenses were included in wages on your W-2.

1. The cost of moving your household goods and personal effects from the old home to the new home.
2. The actual expenses incurred by you for traveling, meals and lodging when moving you and your family from your old residence to your new residence.

Reimbursements for any other moving expense may not be excluded from income.

If you receive excludable reimbursements for moving expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a photocopy of your Federal Form 3903.

Compensation for Injuries or Sickness. Certain amounts received for personal injuries or sickness are not subject to tax. You may exclude from the amount reported on Line 14 such amounts included as wages on your W-2 provided that:

1. The payments must be compensation for wage loss which results from absence due to injury or sickness of the employee; and
2. The payments must be due and payable under an enforceable contractual obligation under the plan; and
3. The payments must not relate to sick leave wage continuation, the taking of which is largely discretionary and the payments are made regardless of the reason for absence from work.

If such payments are included on your W-2, you must file Form NJ-2440 with your New Jersey return to exclude them.

Line 15a - Taxable Interest Income

Report all of your taxable interest from sources both inside and outside of New Jersey on Line 15a. New Jersey taxable interest income includes interest from the following:

- ♦ Banks
- ♦ Savings and loan associations
- ♦ Credit unions
- ♦ Savings accounts
- ♦ Earnings on nonqualified withdrawals from New Jersey Better Educational Savings Trust Program (NJBEST) accounts
- ♦ Checking accounts
- ♦ Bonds and notes
- ♦ Certificates of deposit
- ♦ Ginnie Maes
- ♦ Fannie Maes

- ♦ Repurchase agreements
- ♦ Life insurance dividends
- ♦ Obligations of states and their political subdivisions, other than New Jersey
- ♦ Any other interest not specifically exempt

Interest you received as a partner in a partnership which was not earned in the ordinary course of business must be included on this line.

Forfeiture Penalty for Early Withdrawal. If you incur a penalty by withdrawing a time deposit early, you may subtract the amount of the penalty from your interest income.

If your taxable interest income on Line 15a is more than \$400, enclose a copy of Schedule B, Federal Form 1040, or Schedule 1, Federal Form 1040A.

Line 15b – Tax-Exempt Interest Income

Report all of your tax-exempt interest, as well as exempt interest dividends from a New Jersey Qualified Investment Fund, on Line 15b. **If Line 15b is more than \$10,000 you must include an itemized schedule detailing the amount received from each source.** New Jersey tax-exempt interest income includes interest from:

- ♦ Obligations of the State of New Jersey or any of its political subdivisions

- ♦ Direct Federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes and Bonds
- ♦ Earnings and qualified withdrawals from New Jersey Better Educational Savings Trust Program (NJBEST) accounts
- ♦ Sallie Maes
- ♦ CATS
- ♦ TIGRs
- ♦ Certain distributions from “New Jersey Qualified Investment Funds”
- ♦ Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations

New Jersey Qualified Investment Funds.

A New Jersey Qualified Investment Fund is a regulated investment company in which at least 80% of the fund’s investments (other than cash or receivables) are obligations issued either directly by the Federal government or the State of New Jersey or any of its political subdivisions. The Fund must certify such status with the Division of Taxation annually.

If you received a distribution from a qualified investment fund, you may exclude from your income only the portion of the distribution which comes from qualified exempt obligations. Although excluded from income, the tax-exempt portion is reported on Line 15b. The taxable portion of the distribution, if any, is reported as dividends on Line 16. By February 15, shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that may be excluded from income. Contact your broker to determine whether your fund qualifies.

Do not report interest earned on your IRA(s) on this line. If you made a withdrawal from your IRA during the year, see the instructions for Line 19a.

When you total your interest income on Lines 15a and 15b, the amount should match the total of the taxable and tax-exempt interest you reported on your Federal income tax return (if you filed a Federal 1040). Enclose a statement with your NJ-1040 explaining the difference, if the amounts do not match. For more information on tax-exempt interest income, order Tax Topic Bulletin GIT-5, *Exempt Obligations*.

Line 16 - Dividends

Enter on Line 16 the amount of dividends received during the year (e.g., from stocks, mutual funds). The total amount of taxable dividends received, **regardless of where earned**, must be reported.

Capital Gain Distributions. Capital gain distributions you receive from mutual funds or other regulated investment companies are reported on Line 2, Schedule B and are not to be included as dividends.

Tax-Free Distributions. A distribution which is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or tax-free distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends received from insurance companies are not taxable unless the dividends received exceed the premiums paid. Any interest from accumulated insurance dividends is taxable and must be reported on Line 15a.

S Corporations. Shareholders of S corporations, request Tax Topic Bulletin GIT-9, *Income from Partnerships and S Corporations* for information on how to report S corporation income.

Line 17 - Net Profits from Business

Report the net profits from your business, trade or profession on Line 17. To determine your New Jersey profit (or loss), first complete a Federal Schedule C (or Schedule C-EZ or Schedule F). To comply with New Jersey income tax law, make the following adjustments to your Federal Schedule C (or Schedule C-EZ or Schedule F):

1. Add any amount you deducted for taxes based on income.
2. Subtract interest you reported on Federal Schedule C (or Schedule C-EZ or Schedule F) which is exempt for New Jersey purposes but taxable for Federal purposes.

Line 17- Net Profits from Business - continued

3. Add interest not reported on Federal Schedule C (or Schedule C-EZ or Schedule F) from states or political subdivisions outside of New Jersey which is exempt for Federal purposes.
4. Deduct the remaining 50% of meal and entertainment expenses (that were disallowed on the Federal return).

Use the same accounting method (cash or accrual) that you used for Federal income tax purposes. In the case of a loss, make no entry on Line 17. Enclose a copy of the Federal Schedule C (or Schedule C-EZ or Schedule F) with your return.

Line 18 - Net Gains or Income from Disposition of Property

Enter on Line 18 the amount of net gains from New Jersey Schedule B, Line 4. Enclose Schedule B with your return. See page 34.

Pensions, Annuities, IRA Withdrawals and Exclusion (Lines 19a - c)

Pensions, annuities and certain IRA withdrawals are taxable on the New Jersey return although the taxable amount may differ from the Federal amount. (See page 20 for information on Roth IRAs.) All state and local government, teachers', Federal and certain military pensions, and Keogh Plans are treated in the same manner as pensions from the private sector. Amounts received as "early retirement benefits" are also taxable. Social Security and Railroad Retirement benefits are exempt from New Jersey income tax and should not be reported as pension income. Pension payments received by reason of total and permanent disability are also exempt. However, if you retired before age 65 on a total and permanent disability pension and continue to receive pension payments after age 65, your disability pension is then treated as an ordinary pension.

New for '98 If you are 62 years of age or older or disabled under the Federal Social Security Act and are receiving a United States military pension or survivor's benefit payments from the Defense Finance and Accounting Service, the military pension or survivor's benefit is no longer taxable for New Jersey gross

income tax purposes. Do not include such payments on Line 19a, Form NJ-1040.

Retirement plans (pensions, annuities, IRAs) are either noncontributory or contributory. A noncontributory plan is one to which you have not made contributions. A contributory plan is one to which **you have** made contributions, usually through payroll deductions.

Line 19a - Taxable Amount Received

Report all taxable pensions, annuities and IRA withdrawals on Line 19a. The amount you report on Line 19a will depend on whether or not you made contributions to the plan.

Noncontributory Plans. Amounts you receive from noncontributory plans are fully taxable. Enter on Line 19a the total amount of the pension or annuity from your 1099-R.

Contributory Plans (Other than IRAs).

The total value of your pension or annuity consists of your contributions, your employer's contributions (if any) and earnings. Generally your contributions to a pension or annuity were taxed when they were made and are not taxed by New Jersey when withdrawn. Therefore, you must determine the taxable part of any distribution you receive. Use Worksheet A above to determine whether you should use the Three-year Rule Method or the General Rule Method for your pension or annuity.

NOTE:

- ♦ If you received a distribution from a 401(k) Plan, see the section on 401(k) Plans before continuing.
- ♦ The taxable amount of an IRA withdrawal must be determined by completing the IRA Worksheet C on page 21. **Do not use Worksheet A or B for an IRA withdrawal.**

3. Percentage excludable (Divide line 1 by line 2) 3. _____%
4. Amount received this year 4. _____
5. Amount excludable (Multiply line 4 by line 3) 5. _____
6. Taxable amount (Subtract line 5 from line 4. Enter here and on Line 19a, NJ-1040) 6. _____

*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, Federal actuarial tables must be used to compute the expected return. The Federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *Pension General Rule*. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.

Three-year Rule Method. If you will recover your contributions within three years from the date you receive the first payment from the plan, and both you and your employer contributed to the plan, you may use the Three-year Rule Method to determine your New Jersey taxable pension income. The Three-year Rule allows you to exclude your pension and annuity payments from gross income until the payments you receive equal your contributions to the plan. Until that time the amounts you receive, because they are considered your contributions, are not taxable and should not be reported on your return. Once you have received (recovered) an amount equal to the amount you contributed, the payments you receive are fully taxable. Since the Three-year Rule has been repealed for Federal income tax purposes, if you retired after July 1, 1986, the taxable amount of pension or annuity that you report on your New Jersey return when using this method will differ from the amount you report on your Federal return.

General Rule Method. If you will not recover your contributions within three years from the date you receive the first payment from the plan, or your employer did not contribute to the plan, you must use the General Rule Method to determine your New Jersey taxable pension income. From the first year you receive your pension and every year thereafter, part of your pension will be excludable (the amount that represents your contributions) and part will be taxable. Use Worksheet B on page 19 to determine the taxable amount.

Complete Worksheet B the year in which you receive your first pension payment. Once calculated, use the percentage on line 3 to determine the taxable amount year after year. You must recalculate the percentage only if your annual pension payments decrease.

Contributions to Plans Prior to Residence. Any contributions you made to a pension, annuity or IRA prior to moving to New Jersey are treated in the same way as the contributions would have been treated had you resided in New Jersey at the time. Contributions to plans other than 401(k) Plans are considered to have been

previously taxed. Use the appropriate method to determine the taxable amount.

Lump-Sum Distributions and Rollovers. When a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing or other plan is made, the amount received in excess of the contributions to the plan that have already been taxed must be included in your income in the year received. New Jersey has no provisions for income averaging of lump-sum distributions. Report the taxable amount of a lump-sum distribution on Line 19a.

A lump-sum distribution from an IRA or a qualified employee pension or annuity plan which you roll over into an IRA or other eligible plan is excludable from New Jersey income if the rollover qualifies for deferral for Federal income tax purposes. The amount rolled over (minus previously taxed contributions) is taxable later when it is withdrawn. As under Federal law, the rollover must be made within the 60-day period after distribution.

401(k) Plans. Beginning on January 1, 1984, New Jersey's treatment of 401(k) Plan contributions changed. After that date employee contributions to 401(k) Plans were no longer included in taxable wages when earned. If you made contributions to your 401(k) Plan prior to January 1, 1984, your distribution will be treated differently than if you made all of your contributions after this date.

1. All contributions made after January 1, 1984. If all of your contributions to the 401(k) Plan were made after January 1, 1984, then your distributions from the plan are fully taxable unless your contributions exceeded the Federal limit.

2. Contributions made before January 1, 1984. If you made contributions to the 401(k) Plan before January 1, 1984, or you made contributions beyond the Federal limit, calculate the taxable portion of your distributions from the plan using one of the methods described under contributory plans.

For more detailed information on reporting pension and annuity income on your New Jersey return, order Tax Topic Bulletin GIT-1, *Pensions and Annuities*.

IRAs. Your IRA consists of a nontaxable part (your contributions) and a taxable part (earnings plus certain amounts, if any, rolled over from pension plans). Generally your contributions have been previously taxed. Therefore only the portion of your distribution that represents earnings is taxable.

Earnings credited to an IRA are not subject to tax until withdrawn. The interest, dividends and other earnings, as well as amounts which were tax-free rollovers, will become taxable when withdrawn. If the total amount in the IRA is withdrawn, the entire amount of the interest or accumulated gains becomes taxable in the year the withdrawal is made.

If, however, the withdrawal from an IRA is made over a period of years, the portion of the annual distribution that represents interest income and accumulated gains in the IRA is subject to tax. A distribution from a rollover IRA which is fully taxable for Federal income tax purposes may be treated differently for New Jersey purposes if your contributions were subject to New Jersey income tax when the contributions were made.

Report the taxable amount of an IRA withdrawal on Line 19a. Use Worksheet C on page 21 to determine the taxable portion of your IRA withdrawal. For multiple IRAs, the taxable amount may be determined by using a separate worksheet for each IRA, or all IRAs may be combined on one worksheet.

Roth IRAs. Contributions to a Roth IRA are subject to New Jersey tax in the year they are made. However, if the requirements are satisfied, "qualified distributions" from a Roth IRA are excludable and do not have to be included in New Jersey gross income in the year received.

A "qualified distribution" is one made after the five-taxable-year period beginning with the first taxable year in which a contribution was made to your IRA, and which is:

(Keep a copy of this worksheet for your records.)

1. Made on or after the date on which an individual reaches age 59½; or
2. Made to a beneficiary (or the individual's estate) after the individual's death; or
3. Made because the individual becomes disabled; or
4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A payment or distribution can not be treated as a qualified distribution if it is made within the five-taxable-year period which begins with the year the first contribution was made. A payment or distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other than a Roth IRA, is not a qualified distribution if

it is made within the five-taxable-year period which begins with the year in which the rollover contribution was made.

If you received a nonqualified distribution from a Roth IRA, you must report the earnings as income on Line 19a.

If you converted an existing IRA to a rollover Roth IRA during tax year 1998, any amount from the existing IRA that would be taxable if withdrawn must be included in your gross income. If you made a Federal election to spread the income over a four year period, you must **also** report the amount that is taxable for New Jersey purposes over a four year period. Include on Line 19a one-fourth of amounts taxable for New Jersey purposes

from existing IRAs converted to Roth IRAs in 1998.

For more detailed information on IRA withdrawals, order Tax Topic Bulletin GIT-2, *IRA Withdrawals* or Technical Bulletin TB-44.

Line 19b - New Jersey Pension Exclusion

If you qualify, you may exclude all or a part of the income you received during the year from taxable pensions, annuities and IRA withdrawals. If you and/or your spouse are 62 years of age at the end of the tax year and did not report any income on Line 19a, you may still qualify for the "Other Retirement Income Ex-

clusion.” See the instructions for Line 28 on page 23.

To qualify for the New Jersey pension exclusion you must be:

- ♦ 62 years of age or more
- or**
- ♦ Disabled as defined by Social Security guidelines

Enter on Line 19b the lesser of the amount reported on Line 19a or the amount next to your filing status from the Maximum Pension Exclusion. The amount on Line 19b should never be more than the amount on Line 19a. Part-year residents, see page 8.

When you and your spouse file a joint return and only one of you is disabled or 62 years of age or older, you may still claim the maximum pension exclusion. However, only the pension, annuity or IRA withdrawal of the qualified spouse may be excluded.

If you and/or your spouse are 62 years of age, you may qualify for an additional exclusion. See the instructions for Line 28.

Line 19c

Subtract Line 19b from Line 19a and enter the result on Line 19c. If the result is zero, make no entry on Line 19c.

Enclose a copy of the Schedule NJK-1, Form NJ-1065, which you received from the partnership and enter the income amounts on the corresponding lines of Form NJ-1040 as indicated. If the net result for any line is zero or less, make no entry on that line.

If you did not receive a Schedule NJK-1, you must enclose a copy of the Federal Schedule K-1 and complete Reconciliation Worksheet A contained in Tax Topic Bulletin GIT-9, *Income from Partnerships*

If you did not receive a Schedule NJ-K-1, you must enclose a copy of the Federal Schedule K-1 and complete Reconciliation Worksheet B contained in Tax Topic Bulletin GIT-9, *Income from Partnerships and S Corporations*. Be sure to retain the completed worksheet for your records.

Enter on Line 22 the amount of net income from New Jersey Schedule C, Line 3. Enclose Schedule C with your return. See page 35.

Line 23 - Net Gambling Winnings

Enter on Line 23 the amount of your net gambling winnings. You may deduct your gambling losses from your winnings that occurred during the same year. **You may not use New Jersey Lottery losses to offset other gambling winnings.** If your net gambling winnings are less than zero, make no entry.

You must be able to substantiate gambling losses used to offset winnings reported on your New Jersey income tax

return. Evidence of losses may take several forms, including a daily log or journal of wins and losses, canceled checks, losing race track pari-mutuel tickets, etc. With respect to winnings or losses resulting from casino gambling, letters from casinos which purport to “rate” the gambling activity of an individual or “estimate” losses are acceptable as **part** of the evidential material required to prove losses.

Remember, do not include any winnings or losses from the New Jersey State Lottery.

Although no specific rider to the New Jersey income tax return is required to substantiate gambling losses, it is suggested that if you enter gambling winnings net of losses on Line 23 of the return, you should note the total winnings and total losses on a supporting schedule. This procedure may eliminate certain questions in the event the return is selected for audit. Although not taxable, New Jersey Lottery winnings and losses should be listed on the supporting schedule.

Line 24 - Alimony and Separate Maintenance Payments Received

Enter on Line 24 the total amount of alimony and separate maintenance payments you received which were required under a decree of divorce or separate maintenance. Do not include payments received for child support.

Line 25 - Other

show, contest or any other event is taxable and must be included on Line 25. Awards, including those given to employees for their work or suggestions, are also taxable. Any prizes or awards received in goods or services must be included as income at fair market value.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income is reported on Line 25, "Other" income. Enclose a schedule of the items of income reported together and included on Line 25.

Income from Estates and Trusts. Beneficiaries receiving income from an estate or trust must include on Line 25 the net of the items listed on the Federal K-1 form(s) received. Interest, dividends, capital gains, business or partnership income, etc. as listed on the Federal K-1(s) must be adjusted to reflect New Jersey tax rules and then netted together before inclusion on Line 25, "Other" income. Be sure to include income which is not subject to Federal income tax but is subject to New Jersey Gross Income Tax, such as interest from and losses on the disposition of obligations of states and their political subdivisions, other than New Jersey and its political subdivisions, and exclude income and losses not subject to New Jersey tax, such as gains on New Jersey tax-exempt securities. Enclose a copy of the Federal K-1(s) with your return.

Scholarships and Fellowships. Scholarships and fellowship grants are taxable and must be included on Line 25 unless they satisfy **all** of the following conditions:

1. The primary purpose of the grant is to further the recipient's education or training; and
2. The grant neither represents payments for past, present or future services nor payments for services which are subject to the direction or supervision of the grantor (e.g., a fellowship given in exchange for teaching); and
3. The grant is not for the benefit of the grantor.

Residential Rental Value or Allowance Paid by Employer. Enter on Line 25 either the rental value of a residence furnished by an employer or the rental allowance paid by an employer to provide a home. The rental value of the residence furnished is excludable and should not be reported provided that:

1. The lodging is provided on the business premises of the employer; and
2. The lodging is furnished for the convenience of the employer; and
3. The employee is required to accept such lodging as a condition of employment.

Other. Enter on Line 25 the amount of any taxable income for which a place has not been provided elsewhere on the return. Income from sources both legal and illegal is subject to tax.

Line 26 - Total Income

Enter on Line 26 the total of Lines 14, 15a, 16, 17, 18, 19c, 20, 21, 22, 23, 24 and 25.

Line 27 - Total Income

Enter on Line 27 the total income from Line 26, page 1.

Line 28 - Other Retirement Income Exclusion

If you and/or your spouse are 62 years of age and you did not use the maximum pension exclusion on Line 19b (your pension, annuity or IRA withdrawal was less than the exclusion amount for your filing status or you did not receive a pension, annuity or IRA withdrawal), you may be entitled to exclude other income on Line 28. Complete Worksheet D on page 24 to determine if you qualify for any additional exclusion. Whether or not you use the maximum pension exclusion, if you are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program, you may be entitled to an additional exclusion. Complete Worksheet D, Part III to see if you qualify for this additional exclusion. If your filing status is married, filing joint return, both you and your spouse must meet the requirements to be eligible for the additional exclusion. If

you are a part-year resident, do not complete the worksheet. See page 8.

When you and your spouse file a joint return and only one of you is 62 years old, you may claim the full exclusion. However, only the income of the qualified spouse may be excluded.

Line 29 - New Jersey Gross Income

Subtract Line 28 from Line 27 and enter the result on Line 29. If less than zero, make no entry.

If you were a New Jersey resident for the entire year and your Gross Income on Line 29 is \$7,500 or less (\$3,750 if filing status is married, filing separate return), you have no tax liability to New Jersey and no return must be filed. However, if you are filing a return only to obtain a refund of taxes withheld or estimated payments made, stop here. Continue completing the return with Line 40 on page 27.

If you are eligible for a 1998 Homestead Property Tax Rebate (see page 36), you must also complete the rebate application (Form HR-1040).

You may claim an exemption from withholding if you expect to have no New Jersey income tax liability for the taxable year because your gross income will be less than the minimum amount. Complete Form NJ-W4 and submit it to your employer to claim the exemption.

If you were a New Jersey resident for only part of the year, see "Guidelines for Part-year Residents" on page 8.

Exemptions and Deductions (Lines 30a – 35)

New Jersey allows deductions only for exemptions, certain medical expenses, qualified Medical Savings Account contributions and alimony and separate maintenance payments. No deduction is allowed for adjustments taken on the Federal return such as employee business expenses, IRA contributions and Keogh

Line 31 - Medical Expenses/ Medical Savings Account Contributions

You may deduct certain medical expenses that you paid during the year for yourself, your spouse and your dependents. However, you cannot deduct expenses for which you were reimbursed. Only expenses in excess of 2% of your income may be deducted. You may also deduct qualified Medical Savings Account contributions. Use Worksheet E on page 25 to calculate your deduction for medical expenses/Medical Savings Account contributions.

Allowable Medical Expenses. *Medical expenses* means nonreimbursed payments for physicians, dental and other medical fees, prescription eyeglasses and contact lenses, hospital care, nursing care, medicines and drugs, prosthetic devices, X-rays and other diagnostic services conducted by or directed by a physician or dentist. In addition, medical expenses may also include amounts paid for transportation primarily for and essential to medical care and insurance (including amounts paid as premiums under Part B of Title XVIII of the Social Security Act, relating to supplementary medical insurance for the aged) covering medical care. As a general rule, medical expenses allowed for Federal income tax purposes will be allowed for New Jersey income tax purposes.

Do not include on line 1, Worksheet E contributions you made to a Medical Savings Account or any amounts paid or disbursed from a Medical Savings Account that have been excluded from gross income.

New for '98

Medical Savings Account Contributions. Enter on line 4, Worksheet E, the amount of your qualified Medical Savings Account

contributions from Line 7, Federal Form 8853. New Jersey follows the Federal rules for this deduction. Your contribution may not exceed 75% of the amount of your annual health plan deductible (65% if you have a self-only plan). Enclose Federal Form 8853 with your return. Excess contributions that you withdraw before the due date of your tax return are not taxable. However, you must report the earnings associated with the excess contributions you withdraw as wages on Line 14.

varies depending on the amount of your taxable income, the amount of your property taxes or rent and your filing status. To determine the actual tax benefit you will receive (how much you will reduce your tax liability) when claiming a property tax deduction, you must calculate your tax liability both with a deduction and without a deduction by completing Schedule 1. The property tax **credit** reduces your tax due. The credit increases the total payments and/or credits on Line 47, Form NJ-1040. These payments and/or credits are subtracted directly from your tax liability. Taxpayers who do not reduce their tax liability by \$50 or more (\$25 if filing status is married, filing separate return and you maintain the same residence as your spouse) when claiming the property tax deduction should claim the property tax credit.

For recorded information on the property tax deduction/credit, call our automated TaxTalk service from your Touch-tone phone at 1-800-323-4400 (within New Jersey only) or 609-588-2525 (anywhere). You may also request our publication *Property Tax Deduction/Credit Frequently Asked Questions*.

Eligibility Requirements. To be eligible for a property tax deduction **or** property tax credit:

- ♦ You must have been domiciled and maintained a principal residence as a homeowner or tenant in New Jersey during 1998; and

- ♦ Your principal residence, whether owned or rented, must be subject to local property taxes, and property taxes must have been paid on that residence either as actual property taxes or through rent; and
- ♦ Your rented dwelling must have its own separate kitchen and bath facilities; and
- ♦ Your gross income on Line 29 is more than \$7,500 (\$3,750 if filing status is married, filing separate return) or you or your spouse were 65 years of age or older or blind or disabled at the end of the tax year.

Taxpayers who were not 65 years of age or older or blind or disabled on December 31, 1998 with gross income of \$7,500 or less (\$3,750 if filing status is married, filing separate return) are not eligible for a property tax credit.

Principal Residence. A principal residence means a homestead, either owned or rented, actually and continually occupied as your permanent residence. No property tax deduction or credit is allowed for a vacation home, a "second home," or property which the owner rents to someone else.

Homeowners. You may claim a property tax deduction or credit for the home in New Jersey that you owned and lived in as your principal residence provided it was subject to local property taxes. Both single family homes and certain multi-family homes qualify.

Multi-Unit Properties. As a homeowner, you may claim a property tax deduction or credit on your property only if it contains four units or less. Of these four units, only one may be used for commercial purposes.

Condominiums and Co-ops. A condominium unit or a unit in a cooperative housing complex or mutual housing corporation is considered a single family dwelling for purposes of the property tax deduction or credit.

Continuing Care Communities. As a resident in a continuing care retirement community, you may qualify for a property tax deduction or credit as a homeowner if the continuing care contract requires you to bear, separately from any other charges, the proportionate share of property taxes attributable to your unit.

Disabled Veterans. Totally and permanently disabled veterans who have a 100% exemption from local property taxes are **not** eligible for a property tax deduction or credit. If any portion of the dwelling is rented to a tenant and property tax is paid by the disabled veteran owner on the rented portion, any tenant may be eligible for a property tax deduction or credit, but the property owner is not eligible.

Life Tenancy. You are also a homeowner if you have life tenancy rights or hold a lease for 99 years or more.

Tenants. You may claim a property tax deduction or credit for a home or apartment you rented in New Jersey and lived in as your principal residence, provided that the building is subject to local prop-

erty taxes and contains its own separate kitchen and bathroom. You do not qualify for a property tax deduction or credit if you reside in a unit which only has access to a kitchen or bathroom.

Mobile Homes. If you own a mobile home which is located in a mobile home park, you qualify for a property tax deduction or credit as a tenant. For more information on mobile homes, contact the New Jersey Tax Hotline.

Tax-exempt, Subsidized and Campus Housing. Tenants living in dwellings which are not subject to local property tax are not eligible for a property tax deduction or credit. This includes tenants living in tax-exempt housing or other dwellings owned by the State, County, Municipal or Federal government; students living in on-campus apartments at State colleges and universities; and tenants living in dwellings owned by religious, charitable or other nonprofit organizations (including on-campus apartments at private nonprofit colleges and universities), if the property is exempt from local property taxes.

Do not enter a figure on Line 35 or Line 43 of the tax return. If you are not sure whether the dwelling you rent is subject to local property tax, contact your municipal tax assessor for information. The Division of Taxation audits returns to insure that only qualified applicants claim the property tax deduction or the property tax credit.

Seniors or Blind/Disabled Persons. If either you or your spouse were 65 years

of age or older or blind or disabled at the end of the tax year, and your gross income on Line 29 is \$7,500 or less (\$3,750 if filing status is married, filing separate return), and you satisfy the eligibility requirements, you are entitled to a property tax credit in the amount of \$50 (\$25 if filing status is married, filing separate return and you maintain the same residence as your spouse). File your completed Homestead Property Tax Rebate Application, Form HR-1040, and your credit will automatically be sent to you with your homestead rebate. **Do not** complete Line 35 to claim a property tax deduction **or** Line 43 to claim a property tax credit.

Line 35 - Property Tax Deduction

TAX TIP  If you satisfied the eligibility requirements above, you may deduct 100% of property taxes due and paid **or** \$10,000, whichever is less. For tenants, 18% of the rent paid during the year is considered property taxes paid. Complete Schedule 1 to determine the amount of your property tax deduction and whether you should elect to take the property tax credit on Line 43 instead of the deduction on Line 35.

Do not complete Schedule 1 if you claim credit for taxes paid to other jurisdictions. Complete Schedule A and Worksheet F to determine whether you will receive a greater tax benefit by taking the property tax deduction or the property tax credit. See the instructions for Schedule A on page 31.

Line 40 - Use Tax Due - continued

2. Sales tax has been collected out-of-State at a rate less than 6%.

In determining the net amount of use tax due, sales tax paid to certain other states may be taken as credit. Use tax is due 20 days after the items enter New Jersey. Use Form ST-18 to remit the use tax on a more timely basis.

Form ST-18 is provided in this booklet for your convenience (in the center of the booklet with other tax forms). You may photocopy the Form ST-18 provided and use it to remit use tax throughout the year. You should know that New Jersey does have access to records maintained by out-of-State businesses and does bill customers directly for use tax including penalty and interest.

If you owe use tax and are remitting it with Form NJ-1040, enter the amount on Line 40. If you owe no use tax, enter "0.00."

Line 41 - Total Tax

Line 42 - Total New Jersey Income Tax Withheld

Enter on Line 42 the total New Jersey income tax withheld, as shown on your W-2, W-2G and/or 1099-R statement(s). The W-2 must indicate the amount of New Jersey tax withheld and the "State" box must indicate that the tax withheld was New Jersey income tax. See sample W-2 on page 17. Enclose the state copy of each withholding statement (W-2, W-2G, 1099-R). **Enclose Form 1099-R with the return only if New Jersey income tax was withheld.**

Do not include on Line 42 amounts withheld as New Jersey unemployment insurance/health care subsidy/workforce development partnership fund contributions (shown on the W-2 as UI/HC/WD, if combined, or UI, HC and WD, if stated separately) or New Jersey disability insurance (may be shown as DI). These are **not** New Jersey income tax withholdings and may not be used as credits on Line 42. See instructions for Lines 45 and 46 for more information on excess unemployment insurance/health care subsidy fund/workforce development

partnership fund contributions and/or disability insurance contributions.

All W-2 statements must reflect your correct social security number for the withholdings to be credited. If the social security number is missing or incorrect, you must obtain a corrected W-2 from your employer. Only your employer/payer can issue or correct this form. If you have not received a W-2 form by February 15, 1999, or if the form you received is incorrect, contact your employer/payer immediately.

Line 43 - Property Tax Credit

- ♦ Your gross income on Line 29, Form NJ-1040, is \$7,500 or less (\$3,750 if filing status is married, filing separate return).

NOTE: If you are 65 years of age or older or blind or disabled, and you are not required to file Form NJ-1040 because your gross income on Line 29 is \$7,500 or less (\$3,750 if filing status is married, filing separate return), and you satisfy the eligibility requirements, you are entitled to a property tax credit in the amount of \$50 (\$25 if filing status is married, filing separate return and you maintain the same residence as your spouse). Complete and file a Homestead Property Tax Rebate Application, Form HR-1040, and your credit will automatically be paid with your homestead rebate. If you changed your name because of marriage, divorce, etc., and you made estimated tax payments using your former name, enclose a statement with your return explaining all the payments you and/or your spouse made for 1998 and the name(s) and social security number(s) under which you made payments.

If your spouse died during the year and any estimated payment(s) were made under the deceased spouse's social security number and other payments were made under your social security number, you must enclose a statement with your return listing the social security numbers and the amounts submitted under each social security number.

UI/HC/WD;DI Credit (Lines 45 and 46)

For 1998, the maximum employee unemployment insurance/health care subsidy fund/workforce development partnership fund contribution was \$82.03, and the maximum employee disability insurance contribution was \$96.50. If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit.

All information on Form NJ-2450 must be substantiated by W-2 statements or the claim will be denied. The amounts of unemployment insurance/health care subsidy fund/workforce development partnership fund contributions and disability insurance withheld must be reported separately on all W-2 statements. The employer's New Jersey Taxpayer Identification number or approved private plan number must also be shown. See sample W-2 on page 17.

Be careful when completing Form NJ-2450 and check that your W-2 verifies the information you provide. If **all** New Jersey Department of Labor requirements are not met, your income tax credit must be denied. You must then refile your

claim with the Department of Labor using their Form UC-9A, "Employee's Claim for Refund of Excess Contributions."

Make your check for the total amount payable to "State of New Jersey – TGI."

1998 Schedules A, B, C

Schedule A—Taxes Paid to Other Jurisdiction

Schedule A provides taxpayers who are eligible for a property tax benefit with a method for calculating the credit for taxes paid both with and without the property tax deduction. If you are eligible to receive a property tax deduction/credit you must complete Schedule A for each jurisdiction for which you are claiming a credit for taxes paid. Then you must complete Worksheet F to determine whether you receive a greater benefit from claiming the property tax deduction or taking the property tax credit.

If you are claiming a credit for taxes paid to another jurisdiction but you are not eligible for a property tax benefit (see page 25 for eligibility requirements), only complete Column B of Schedule A. Enter

the amount from Line 9, Column B, on Line 38, Form NJ-1040. Make no entry on Lines 35 or 43, Form NJ-1040.

Requirements. As a New Jersey resident, you may be entitled to a tax credit against your New Jersey income tax if you have income from sources outside New Jersey. To qualify, your income must be subject to **both** the New Jersey income tax and the income or wage tax imposed by another jurisdiction outside of New Jersey in the same year. For this purpose, “jurisdiction” means any state of the United States or political subdivision of such state, including the District of Columbia.

Pennsylvania residents see page 32.

Thus, no credit is permitted for taxes paid to the U.S. Government, Canada, Puerto Rico or any foreign country or territory.

To receive the credit for taxes paid to another jurisdiction you must:

1. Complete Schedule A in its entirety;
2. Enclose Schedule A* with your NJ-1040 income tax return;
3. Enclose a complete copy of the income tax return(s) you filed with the other jurisdiction(s) or W-2(s) if no return(s) required to be filed with the other jurisdiction.

*If you are claiming credit for income or wage taxes paid to more than one jurisdiction, complete and enclose a separate Schedule A for each jurisdiction.

You must complete Schedule A to calculate the credit. Then you should complete Worksheet F on page 34 to determine whether you will receive a greater tax benefit by taking the Property Tax De-

duction on Line 35 or the Property Tax Credit on Line 43.

Line 1 - Income Actually Taxed by Other Jurisdiction

Enter on Line 1 the amount of income you received during the year which was actually taxed by the other jurisdiction. Also enter the name of the taxing jurisdiction in the space provided. The amount on Line 1 should be the amount of income which was actually taxed by the other jurisdiction. This means the gross income after adjustments have been made by the other jurisdiction before personal exemptions and standard and/or other itemized deductions are subtracted. Any income included on Line 1 of Schedule A must also be included on Line 2 since to be eligible for the credit, the income must be taxed by **both** New Jersey and the other jurisdiction.

You should include on Line 1 only amounts properly taxable by the other jurisdiction. Generally, this includes compensation for services performed; net profits from a business, trade or profession carried on in the other jurisdiction; S corporation income allocated to the other jurisdiction; or income or gains from the ownership or sale of real or personal property in the other jurisdiction.

Amounts received as interest, dividends and other income from intangible personal property such as savings accounts, stocks, bonds and other securities, cannot be included on Line 1 unless (1) the income was derived from a business, trade or profession carried on in the other jurisdiction or (2) you file a resident return with the other jurisdiction as well as with New Jersey and report the income on both returns.

Do **not** include on Line 1:

- ♦ Income which is not subject to New Jersey income tax (even though the item(s) may be subject to tax by the other jurisdiction, e.g., unemployment compensation).
- ♦ Income which has been excluded or deducted in arriving at the income actually taxed in the other jurisdiction. (The gross income after adjustments figure of the other jurisdiction should

be used on Line 1. To arrive at your gross income after adjustments figure, items such as IRA and Keogh contributions, employee business expenses, moving expenses and alimony may have been deducted from gross income.)

- ♦ Income subject to tax by any foreign country or territory.

Income Taxed by More than One Jurisdiction. Income can only be reported once on Schedule A. When you pay tax to two jurisdictions on the same income and the amount of income taxed by each jurisdiction differs, you may be entitled to claim two credits. One credit is based on the amount taxed by one of the jurisdictions, and the second credit is based only on the difference between the amounts taxed by the two jurisdictions. For example, you earned \$40,000 in the City of New York and that income was subject to tax by both the City of New York and New York State. If \$38,000 is actually taxed by New York State and \$40,000 is actually taxed by the City of New York, complete two Schedule As. Line 1 of the New York State Schedule A will be \$38,000 and Line 1 of the City of New York Schedule A will be \$2,000 (the difference between income taxed by the City of New York and the New York State income on which you have already calculated a credit).

NOTE: When calculating the credit for income taxed by more than one jurisdiction and the actual tax paid to the other jurisdiction is less than the maximum allowable credit, enter on Line 9 of each Schedule A **only** the tax paid on the amount of income entered on Line 1. In the example above, Line 9 of the City of New York Schedule A would show the City of New York tax paid on \$2,000.

If the amount subject to tax by two jurisdictions is the same, complete a Schedule A for only one jurisdiction.

Income from New York. New Jersey residents working in or earning taxable income from New York are often taxed on an amount less than their actual income due to the many allowable New York income tax deductions. When claiming credit for taxes paid to New York, Line 1, Schedule A of the NJ-1040 should reflect

the "New York State Amount" actually taxed by New York from the New York IT-203. Certain adjustments may be necessary to determine the income actually taxed by New York State.

For New Jersey residents subject to the New York State income tax on lump-sum distributions, separate calculations (on Schedule A) for taxes paid to New York State on ordinary income and taxes paid to New York State on the lump-sum distribution should be made to arrive at the total credit for taxes paid. Both Schedule As must be enclosed with your return.

Income from Pennsylvania. As a result of the Reciprocal Personal Income Tax Agreement between the Commonwealth of Pennsylvania and the State of New Jersey, compensation paid to New Jersey residents employed in Pennsylvania is not subject to the Pennsylvania income tax. Compensation means salaries, wages, tips, fees, commissions, bonuses and other remuneration received for services rendered as an employee.

You may **not** claim a credit on Schedule A for taxes paid to Pennsylvania on compensation earned in Pennsylvania because these earnings are not subject to tax in Pennsylvania. If Pennsylvania income tax was withheld from your wages, you must file a Pennsylvania return to obtain a refund. To stop the withholding of Pennsylvania income tax, complete a Pennsylvania Employee's Statement of Nonresidence (Pennsylvania Form REV-420) and give it to your employer. You may obtain Form REV-420 from the Pennsylvania Department of Revenue.

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) which is taxable in both states, you may claim a credit for taxes paid to Pennsylvania on that income by completing Schedule A.

Income From Philadelphia. The Reciprocal Agreement does not apply to the wage or income tax imposed and collected by the City of Philadelphia or any

Schedule A - continued

other municipality in Pennsylvania. Therefore, income subject to both New Jersey income tax and any municipal wage or income tax may be included on Line 1, Schedule A. Enclose a copy of your W-2 (or Net Profits Tax Return) with your return showing the amount of municipal income tax paid.

NOTE: The amount of income taxable to Philadelphia is sometimes less than the wage figure on the W-2 statement. To determine the proper amount of income to place on Line 1 of Schedule A of the NJ-1040, you must divide the wage tax deducted from your pay by the Philadelphia tax rate as follows:

$\frac{\text{Philadelphia Wage Tax}}{\text{Philadelphia Tax Rate}} = \text{Line 1, Sched. A}$

The amount reported at Line 1 cannot be more than the amount reported at Line 14, NJ-1040 as Philadelphia wages.

Line 2 - Income Subject to Tax by New Jersey

Enter on Line 2 the amount of income reported on Line 27, Form NJ-1040, plus any pension excluded at Line 19b.

Line 3 - Maximum Allowable Credit Percentage

Divide Line 1 by Line 2 and enter the percentage on Line 3. Since Line 1 can never be more than Line 2, the result will be 100% or less.

If you are not eligible to claim a property tax deduction or credit, only complete Column B to determine your credit for taxes paid to other jurisdictions. Total the amounts from Line 9, Column B, of all Schedule As completed and enter that amount on Line 38, Form NJ-1040. Make no entry on Lines 35 or 43, Form NJ-1040.

Line 4 - Taxable Income

For each column, enter on Line 4 the amount of your taxable income from Line 34, Form NJ-1040.

Line 5 - Property Tax and Deduction

If you were a qualified homeowner or tenant during the tax year, you may be

entitled to a property tax deduction or property tax credit. See instructions on page 25 to determine if you qualify. (Mobile home owners enter 18% of 1997 site fee.)

homeowner and a tenant during the year, add the amount from Line 6, Schedule HR-A and 18% of the amount from Line 12, Schedule HR-A and enter the total in Box A, Line 5, Schedule A.

Schedule B— Disposition of Property

Use Schedule B to report all capital gains and income from the sale or exchange of any property. In arriving at your gain, you may deduct expenses of the sale and your basis in the property. The basis to be used for computing gain or loss is the cost or adjusted basis for Federal income tax purposes. All gains derived from installment sales must be reported in the same year as reported for Federal income tax purposes. If the spaces provided are not sufficient, enclose a statement with the return listing any additional transactions along with Schedule B.

New for '98
Sale of a Principal Residence. If you sell your principal residence, you may qualify to exclude all or part of any gain from your income regardless of age. Capital gain and the exclusion of all or part of the gain on the sale of a principal residence are computed in the same manner as for Federal income tax

purposes. Any amount that is taxable for Federal purposes is taxable for New Jersey purposes. If you exclude any of the gain on the sale of your principal residence for Federal purposes, the same amount will be excluded for New Jersey purposes.

You can claim the exclusion if, during the 5-year period ending on the date of the sale, you have:

1. Owned the home for at least two years (the ownership test); **and**
2. Lived in the home as your principal residence for at least two years (the use test).

NOTE: If you owned and used the property as your principal residence for less than two years, and you qualify for a reduced exclusion for Federal purposes, you may claim a reduced exclusion for New Jersey purposes.

You can exclude up to \$250,000 (\$500,000 for certain married persons filing a joint return) of gain from the sale

of your principal residence if **both 1 and 2** below apply.

1. Neither you nor your spouse if filing a joint return is excluding gain from the sale of another home.
2. You or your spouse if filing a joint return owned and lived in the home for periods adding up to at least 2 years within the 5-year period ending on the date of sale.

If you are married, filing a joint return, **both** you and your spouse must meet the use test to qualify for the \$500,000 exclusion.

If only one spouse meets the ownership and use tests, the qualified spouse can exclude up to \$250,000 of the gain when filing either a joint return or a married, filing separate return.

You cannot exclude the gain on the sale of your principal residence if, during the

Schedule B - continued

2-year period ending on the date of the sale, you sold another home at a gain and excluded all or part of that gain. If you cannot exclude the gain, you must include it in your income. However, you can claim a reduced exclusion if you sold the home due to a change in health or place of employment and you qualify for a reduced exclusion for Federal purposes.

Line 1 - List Transactions

List at Line 1, Schedule B, any New Jersey taxable transaction(s) as reported on your Federal Schedule D, indicating the gain or loss for each transaction in Column f.

Do not include gains or losses from the sale of exempt obligations. For more information on tax-exempt obligations, order Tax Topic Bulletin GIT-5, *Exempt Obligations*.

The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses. You may deduct Federal passive losses in full in the year incurred against any gain within the **same category** of income, but only in the year that it occurred.

Line 2 - Capital Gains Distributions

Enter on Line 2 the total amount of all capital gains distributions from your Form 1099-DIV(s) or similar statement(s). Do not include capital gains from a "New Jersey Qualified Investment Fund" which are attributable to qualified exempt obligations or gains from mutual funds to the extent attributable to Federal obligations. For more information on "New Jersey Qualified Investment Funds," see page 18.

Line 3 - Other Net Gains

Enter on Line 3 the total amount of net gains or income less net losses from disposition of property not included on Lines 1 or 2 of Schedule B.

Line 4 - Net Gains

Enter on Line 4 the total of the amounts listed on Line 1, Column f and Lines 2 and 3, netting gains with losses. Enter this amount on Line 18, Form NJ-1040. If the netted amount is a loss, enter zero here and make no entry on Line 18, Form NJ-1040.

Schedule C—Rents, Royalties, Patents and Copyrights

Use Schedule C to report net gain or income less net losses from rents, royalties, patents and copyrights. The Gross Income Tax Act does not distinguish

between active and passive losses, nor does it authorize carryback or carryforward of such losses. Thus, you may deduct Federal passive losses in full in the year incurred against any gain within the **same category** of income.

If the spaces provided are not sufficient, enclose a statement with the return listing any additional property and income along with Schedule C.

Line 1 - List Property and Income

List at Line 1, Schedule C, the kind of property and the net income or loss from each property. For rentals, list the income or loss for each rental property as determined on your Federal Schedule E.

Line 2 - Totals

Add the amounts in each column and enter the totals on Line 2.

Line 3 - Net Income

Add the amounts listed on Line 2 in columns b, c, d and e. Enter the total on Line 3, netting gains with losses. Enter this amount on Line 22, NJ-1040. If the netted amount is a loss, enter zero here and make no entry on Line 22, Form NJ-1040.

Rebate Calculations

Rebate amounts and qualifications for eligibility are subject to change due to

budgetary restrictions. For tax years 1991 through 1997, eligible taxpayers who were under 65 and were not blind or disabled received rebates if their gross

income was \$40,000 or less. If the same restriction applies for the 1998 tax year, rebates will be calculated as follows:

Qualifications

To be eligible for a New Jersey Homestead Property Tax Rebate:

- ◆ You must have been domiciled and maintained a principal residence as a homeowner or tenant in New Jersey during 1998; and
- ◆ Your gross income for the entire year must have been \$100,000 or less (see Note on page 39); and
- ◆ Your principal residence, whether owned or rented, must be subject to local property taxes, and property taxes must have been paid on that residence either as actual property taxes or through rent; and
- ◆ Your rented dwelling must have its own separate kitchen and bath facilities; and
- ◆ If you are filing Form NJ-1040, you must file the Homestead Property Tax Rebate Application (Form HR-1040) **and** the NJ-1040 **by April 15, 1999**, or if you are filing the NJ-1040 under an extension, by the extended due date. If you are filing **only** Form HR-1040, see "Rebate Only Filers" below.

Rebate Only Filers. A resident who is not required to file a New Jersey income tax return (because of income below the minimum filing threshold) and meets the qualifications for a Homestead Property Tax Rebate **may file only the HR-1040 to claim a rebate. It is not necessary to file the NJ-1040 along with the homestead rebate application.** These residents have until January 17, 2000 to file Form HR-1040.

Part-year Residents. A part-year resident who meets the qualifications is eligible for a Homestead Property Tax Rebate. Part-year residents must enter their full year income from all sources on Line 8 of the HR-1040.

TAX TIP

Married, Filing Separate Return. If you file married, filing separate return and maintain the same principal residence as your spouse, you must combine your gross income with your spouse's gross income. Neither you nor your spouse can receive more than one-half of the rebate that you would receive if you filed a joint return. Both you and your spouse must file Form HR-1040 to be eligible to receive up to one-half of the rebate.

Principal Residence. A principal residence means a homestead, either owned or rented, actually and continually occupied as your permanent residence. No rebate will be granted for a vacation home, a "second home," or property which the owner rents to someone else.

Homeowners

Under the Homestead Property Tax Rebate Act of 1990, you may claim a rebate for the home in New Jersey that you owned and lived in as your principal residence provided it was subject to local property taxes. Both single family homes and certain multi-family homes qualify.

Multi-Unit Properties. As a homeowner, you may claim a rebate on your property only if it contains four units or less. Of these four units, only one may be used for commercial purposes.

Condominiums and Co-ops. A condominium unit or a unit in a cooperative housing complex or mutual housing corporation is considered a single family dwelling for purposes of the rebate.

Continuing Care Communities. As a resident in a continuing care retirement community, you may qualify for a rebate as a homeowner if the continuing care contract requires you to bear, separately from any other charges, the proportionate share of property taxes attributable to your unit.

Disabled Veterans. Totally and permanently disabled veterans who have a 100% exemption from local property tax

are **not** eligible for a homestead rebate. If any portion of the dwelling is rented to a tenant and property tax is paid by the disabled veteran owner on the rented portion, any tenant may be eligible for a homestead rebate, but the property owner is not eligible.

Life Tenancy. You are also a homeowner if you have life tenancy rights or hold a lease for 99 years or more.

Tenants

Under the Homestead Property Tax Rebate Act, you may claim a rebate if you rented a home or an apartment in a dwelling subject to local property taxes which contained its own separate kitchen and bathroom. You do not qualify for a rebate if you reside in a unit which only has access to a kitchen or bathroom.

Mobile Homes. If you own a mobile home which is located in a mobile home park, you qualify for a rebate as a tenant. For more information on mobile homes, contact the New Jersey Tax Hotline.

Identification Section

Name and Address

Rebate Filers Only. If you are filing only the homestead rebate application, place the peel-off label from the front of this booklet in the name and address section at the top of the application. Correct the label where errors occur. If you have no label, print or type your name (last name first), complete address and zip code in the spaces provided. Also include your spouse's name if filing jointly.

Income Tax with Rebate Filers. If you are filing Form HR-1040 with your Form NJ-1040, it is necessary to complete only the name and social security number portion of the identification section of Form HR-1040.

If your address has changed, complete the address portion of the identification section and fill in the oval at the top of the HR-1040.

Social Security Number

Be sure to check the accuracy of the social security number(s) printed on the label. To correct an error, draw a line through the incorrect number and write the correct number above it.

If you do not have a label or you used the label on your tax return, enter your social security number(s) in the boxes provided, one digit in each box. If your filing status is married, filing joint return, remember to report both spouses' numbers in the order in which the names are listed on the return.

County/Municipality Code

Check the county/municipality code on your label (see example). Make corrections to the code on the label. If you do not have a label, or you used the label on your tax return, enter your four-digit code, one digit in each box, from the table on page 41. If your municipality is not listed, enter the code for the municipality where you pay your property taxes. This code identifies the county and municipality of your current residence. The county and municipality codes in these instructions are for Division of Taxation purposes only.

Filing Status (Lines 1 - 5)

You must use the same filing status on your homestead rebate application as you do for your New Jersey Resident Income Tax Return (Form NJ-1040). If you do not file Form NJ-1040, use the same filing status as you would have used if you had filed the tax return. Indicate the appropriate filing status. Fill in only **one** oval.

Residency Status (Line 6)

If you were a New Jersey resident for only part of the taxable year, list the month, day and year your residency began and the month, day and year it ended. All months should be listed as two digit

Tax-exempt, Subsidized and Campus Housing

One of the qualifications for the New Jersey Homestead Property Tax Rebate is that property taxes be paid on the applicant's principal residence, either directly or through rent. Thus, tenants living in dwellings which are not subject to local property tax are not eligible for the rebate. This includes tenants living in tax-exempt housing or other dwellings owned by State, County, Municipal or Federal government; students living in on-campus apartments at State colleges and universities; and tenants living in dwellings owned by religious, charitable or other nonprofit organizations (including on-campus apartments at private nonprofit colleges and universities), if the property is exempt from local property taxes.

Do not complete the Homestead Property Tax Rebate Application (Form HR-1040) if the dwelling you rent is not subject to local property tax; you do not qualify for a rebate. If you are not sure whether the dwelling you rent is subject to local property tax, contact your municipal tax assessor for information. The Division of Taxation audits returns to insure that only qualified applicants receive rebates.

numbers with the digits 01 for January, 02 for February, 03 for March, etc. Place the correct number for the beginning and ending months directly in the boxes containing the red letter "M," one digit in each box.

The days of the months should be listed as two digit numbers beginning with the digits 01 for the first day of the month and ending with the digits 31 for the last day of the month. Place the correct number for the beginning and ending dates directly in the boxes containing the red letter "D," one digit in each box.

For calendar year filers the year should be entered as 98 and the numbers placed directly in the boxes containing the red letter "Y," one digit in each box. Fiscal year filers should enter the appropriate year in the "Y" boxes.

Age 65 or Older, Blind or Disabled (Line 7)

If either you or your spouse were 65 years of age or older or blind or disabled at the end of the tax year, fill in the "yes" oval. "Disabled" means total and permanent inability to engage in any substantial gainful activity because of any physical or mental impairment, including blindness. Enclose a copy of the doctor's certificate or other medical records with your return the first time you claim the exemption. This information need not be

submitted each year providing there is no change in your condition. You may only fill in the "yes" oval if you or your spouse meet the qualifications; they do not apply to your dependents. If you do not meet the age or disability qualifications, fill in the "no" oval.

NOTE: The Division of Taxation will calculate the amount of your rebate based on the information you provide. Rebate amounts and qualifications for eligibility are subject to change due to budgetary restrictions. For 1997, eligible taxpayers who were under age 65 and were not blind or disabled received rebates if their gross income was \$40,000 or less. For 1998, these restrictions may or may not apply.
