

2019 Composite Return Instructions

Qualified nonresident individuals who are members of general and limited partnerships, professional athletic teams, limited liability partnerships, limited liability companies, New Jersey electing S corporations, estates, and trusts can participate in a composite return. Any composite return that is filed on behalf of 25 or more participants must be filed on diskette. General diskette specifications can be found on page 8.

Only individuals are eligible to file as part of a composite return. To qualify for participation in a composite return, the nonresident must be a member of one of the specified entities and satisfy all of the following conditions:

1. The individual was a nonresident for the entire tax year;
2. The individual did not maintain a permanent place of abode in New Jersey at any time during the tax year;
3. The individual was not a fiscal year filer;
4. The individual did not have income derived from or connected with New Jersey sources other than the income reported on composite return(s);
5. The individual waives the right to claim any New Jersey personal exemption, credit, or deduction and agrees to have the tax calculated directly on the individual's income reported on the composite return at the highest tax rate in effect for single taxpayers for the tax year; and
6. The individual elects to be included in a composite return by completing and delivering to the filing entity a Form NJ-1080-E (Election to Participate in a Composite Return) prior to the filing of the composite return by the entity.

An individual can participate in other New Jersey Gross Income Tax composite returns, provided that the requirements of subsections 1 through 6 above are satisfied. Once a nonresident elects to participate in a composite return, the election is binding on the individual's heirs, representatives, assigns, successors, executors, and administrators and constitutes an express consent to personal jurisdiction in New Jersey for New Jersey personal Income Tax purposes.

Election to Participate

Every participating member must make the election to be part of the composite return in writing each year by filing Form NJ-1080-E with the filing entity. The elections must be maintained in the filing entity's files. When filed, the composite return must include a list of the members who are participating, as well as a list of those who have not elected, or are not qualified, to participate in the composite return. The list must include each member's name, address, and federal identification number. A qualified electing nonresident participant cannot revoke

an election to be included in the composite return or make an election to be included in the composite return after April 15 following the close of the tax year.

Permission to File not Required

In previous years, the Division accepted composite returns only when written permission had been requested by the filing entity and a copy of the permission letter was attached to the composite return when filed. **Written permission to file a composite return is not required.** Any entity that is eligible to file a composite return can now do so without first putting the Division on notice.

When to File

Returns for calendar year 2019 are due April 15, 2020. No fiscal composite returns will be accepted.

Postmark Date

All New Jersey Income Tax returns postmarked on or before the due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return.

Extension of Time to File

An extension of time to file will be granted on a composite basis only. The request for an extension of time to file must be made on Form NJ-630 on or before the original due date of the return. The request must be made under the filing entity's federal identification number. A six-month extension of time to file the NJ-1080-C will be granted if at least 80% of the actual tax liability is paid in the form of estimated or other payments by the original due date of the return.

Taxpayers who file Form NJ-630 will not receive an approved copy. The Division will only send notification if the request for extension is denied.

If the requirements for extension are not satisfied, or if the return is not filed by the extended due date, the extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalty and Interest Charges" on page 2.

Where to File

Mail Form NJ-1080-C to:

State of New Jersey
Division of Taxation
Revenue Processing Center
PO Box 188
Trenton, New Jersey 08646-0188

Estimated Tax

If the filing entity has filed a composite return in the previous years and the amount estimated to be the total Income Tax liability for the composite return for the current tax year exceeds \$400, the filing entity must make quarterly estimated tax payments using Form NJ-1040-ES. Instructions for calculating the estimated tax and making the payments are included with that form. Failure to make estimated payments when required or pay all or part of an underpayment will result in interest charges on the underpayment.

Underpayment of Estimated Tax

If the filing entity failed to make the required estimated tax payments as described above, the entity must complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates, or Trusts. Completing Form NJ-2210 will allow you to determine if interest on the underpayment is due and if so, to calculate the amount. If you complete and enclose Form NJ-2210 with your return, fill in the oval below line 19. **NOTE: Credit will not be given on the composite return for estimated tax payments made by any of the qualified electing nonresident participants.**

Accounting Method

The accounting method used for Form NJ-1080-C must be the same as the accounting method used by the participants for federal income tax purposes.

Accounting Periods

The accounting period for a nonresident composite return is the calendar year.

Forms and Assistance

Forms are available on our website at njtaxation.org, by calling 1-800-323-4400, or by writing to the New Jersey Division of Taxation, 50 Barrack Street, PO Box 269, Trenton, NJ 08695-0269, Attention: Forms Distribution Center.

Assistance is available by calling the Division's Customer Service Center at 609-292-6400.

A composite return, Form NJ-1080-C, must be paper-filed. The directory information for a composite return filed on behalf of 25 or more participants **must** be submitted on diskette or rewritable CD. See page 8 for general diskette specifications.

Rounding off to Whole Dollars

The money items on the return and schedules can be shown in whole dollars. This means that any amount under 50 cents can be eliminated and amounts of 50 cents or more should be increased to the next higher dollar.

Amended Returns

An amended Form NJ-1080-C must be filed if an amended federal return is filed for any filing entity, or if the Internal Revenue Service changes or corrects any item of income, gain, or loss previously reported. The amended New Jersey return must be filed within 90 days of the date the amended federal form is filed or, in the case of a federal audit, within 90 days after the final determination of the change. To amend the original composite return, use a blank Form NJ-1080-C for the tax year that is to be amended and write "Amended" across the top. Complete the form by entering the correct information and attach an explanation of the changes.

An amended composite return should also be filed if the filing entity issues amended or corrected information returns (e.g., Form W-2, federal Schedule K-1, etc.) that affect Total New Jersey Taxable Income (line 17).

Penalties and Interest Charges

Penalty and interest should be included with the payment of any tax due. The Division may impose the following:

Late filing penalty: 5% per month (or part of a month) up to a maximum of 25% of the outstanding tax liability when a return is filed after the due date or extended due date. Also, a penalty of \$100 per month for each month the return is late may be imposed.

Late payment penalty: 5% of the outstanding tax balance may be imposed.

Interest: 3% above the prime rate for every month or part of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Signatures

Form NJ-1080-C is not considered to be a return unless it is signed and dated. If the filing entity is a general partnership, a limited partnership, or a limited liability partnership, the return must be signed by a general partner or the partner designated for tax matters. If the filing entity is an electing New Jersey S corporation, the return must be signed by an officer of the corporation; if a limited liability company, by an authorized member; if an estate, by the executor or administrator; if a trust, by a trustee. If a receiver, trustee in bankruptcy, or assignee controls the organization's property or business, that

person must sign the return. If the filing entity is a professional athletic team, the return must be signed as required above depending on the type of entity.

Anyone who prepares a composite return for a fee must sign the return as a "Paid Preparer" and must enter their Social Security number. The company or corporation name and federal employer identification number must be included, if applicable. The preparer required to sign the composite return must sign it by hand; signature stamps or labels are not acceptable. If someone prepares the return at no charge, the paid preparer's area need not be completed. A tax preparer who fails to sign the return or provide a correct tax identification number may incur a \$25 penalty for each omission.

Privacy Act Notification

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Social Security numbers are used primarily to account for and give credit for tax payments. The Division of Taxation also uses Social Security numbers in the administration and enforcement of all tax laws for which it is responsible.

Federal/State Tax Agreement

The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange income tax information in order to verify the accuracy and consistency of information reported on federal and New Jersey Income Tax returns.

Fraudulent Return

Any person who willfully fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty not to exceed \$7,500 or imprisonment for a term between three and five years, or both.

Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 44 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates, which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing program, contact the New Jersey Election Law Enforcement Commission at (609) 292-8700 or

write to the Commission at PO Box 185, Trenton, New Jersey 08625-0185.

Participation in the \$1 Income Tax check-off protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate \$1 to go to help candidates for governor pay expenses, check the "Yes" box in the Gubernatorial Elections Fund section of the return. Checking the "Yes" box will not in any way increase your tax liability or reduce your refund.

General Diskette Specifications
Form NJ-1080-C
Participant and Nonparticipant Directory

The New Jersey Division of Taxation requires Participant and Nonparticipant Directory information (Schedules A and B and Form NJ-1080-C) to be filed on diskette or rewritable CD when there are 25 or more participants. Form NJ-1080-C (composite return) cannot be filed on a diskette or rewritable CD, but must be filed on the paper return. A filing entity with less than 25 participants can also file on diskette or rewritable CD, but is not required to do so.

In addition to the standard format, Form NJ-1080-C Participant and Nonparticipant Directory information can be filed using an EXCEL spreadsheet. (**Note:** An EXCEL spreadsheet must be saved as a 'Formatted Text (Space Delimited)' file (.prn).

To be compatible, a diskette file must meet the following specifications:

- (a) Only one "A" record and one "T" record must exist per file. The "A" record identifies the entity for which the participant and nonparticipant directories are being reported and must be the first record on the file. A "D" record for each individual must follow the "A" record. A "D" record must be written for each participant and nonparticipant. The "T" record contains the number of "D" records reported and must be written after the last "D" record.
- (b) If a diskette was used previously for other data, reformat it before using it for an NJ-1080-C Participant/Nonparticipant Directory submittal.
- (c) All diskettes and rewritable CDs should be virus scanned before submission to the New Jersey Division of Taxation. If the Division of Taxation detects a virus, the diskette(s) may be returned unprocessed.
- (d) Data must be recorded in UPPERCASE.
- (e) Each file must contain composite return information for a single tax year only. A file containing multiple tax years will be rejected.
- (f) The external label must indicate the file name, return year, federal EIN, name of the entity submitting the file, and personal computer operating system/software package used (Example: Windows 10/Excel 2013).
- (g) A diskette file can consist of multiple diskettes. The external diskette label must indicate the proper sequence (e.g., VOL 1 of 3). If a file consists of multiple diskettes the "A" record must be the first record on the first diskette in the sequence. The "T" record must be the last record on the last diskette in the sequence.
- (h) Use the column width indicated for each column for the entire file.
