

# Line by Line Instructions for Schedule NJK-1

## **SCHEDULE NJK-1**

Although the partnership itself is not subject to tax, partners are subject to New Jersey gross income tax on their share of the partnership's income, whether or not the income is actually distributed. Partners who reside in New Jersey are taxed on their share of the partnership's income, regardless of the source of the income. Nonresident partners are also subject to New Jersey gross income tax on their share of the partnership's income, but only to the extent such income is allocated to New Jersey.

Schedule NJK-1 provides each partner with information regarding that partner's share of partnership income. A Schedule NJK-1 must be completed for every partner that was a partner in the partnership at any time during the year. Two Schedule

NJK-1s are to be completed for partners who are both Part Year Resident and Part Year Nonresident Individuals. The first reporting the partner's allocated share of partnership income as a resident and the second reporting his allocated share of partnership income as a nonresident. Partners must be furnished with a copy of their Schedule NJK-1 on or before the due date of the partnership return (Form NJ-1065). If a partnership interest is held by a nominee on behalf of another person, the partnership is required to furnish Schedule NJK-1 to the nominee.

The partnership must attach a copy of the Schedule NJK-1 for each resident partner when the partnership return (Form NJ1065) is filed. If the partnership has income or loss allocated to New Jersey, a copy of every nonresident partner's Schedule NJK-1 must be attached as well. A copy of all NJK-1(s) must

be retained by the partnership as part of the partnership's records.
